Our Alma Mater As It Stands Today

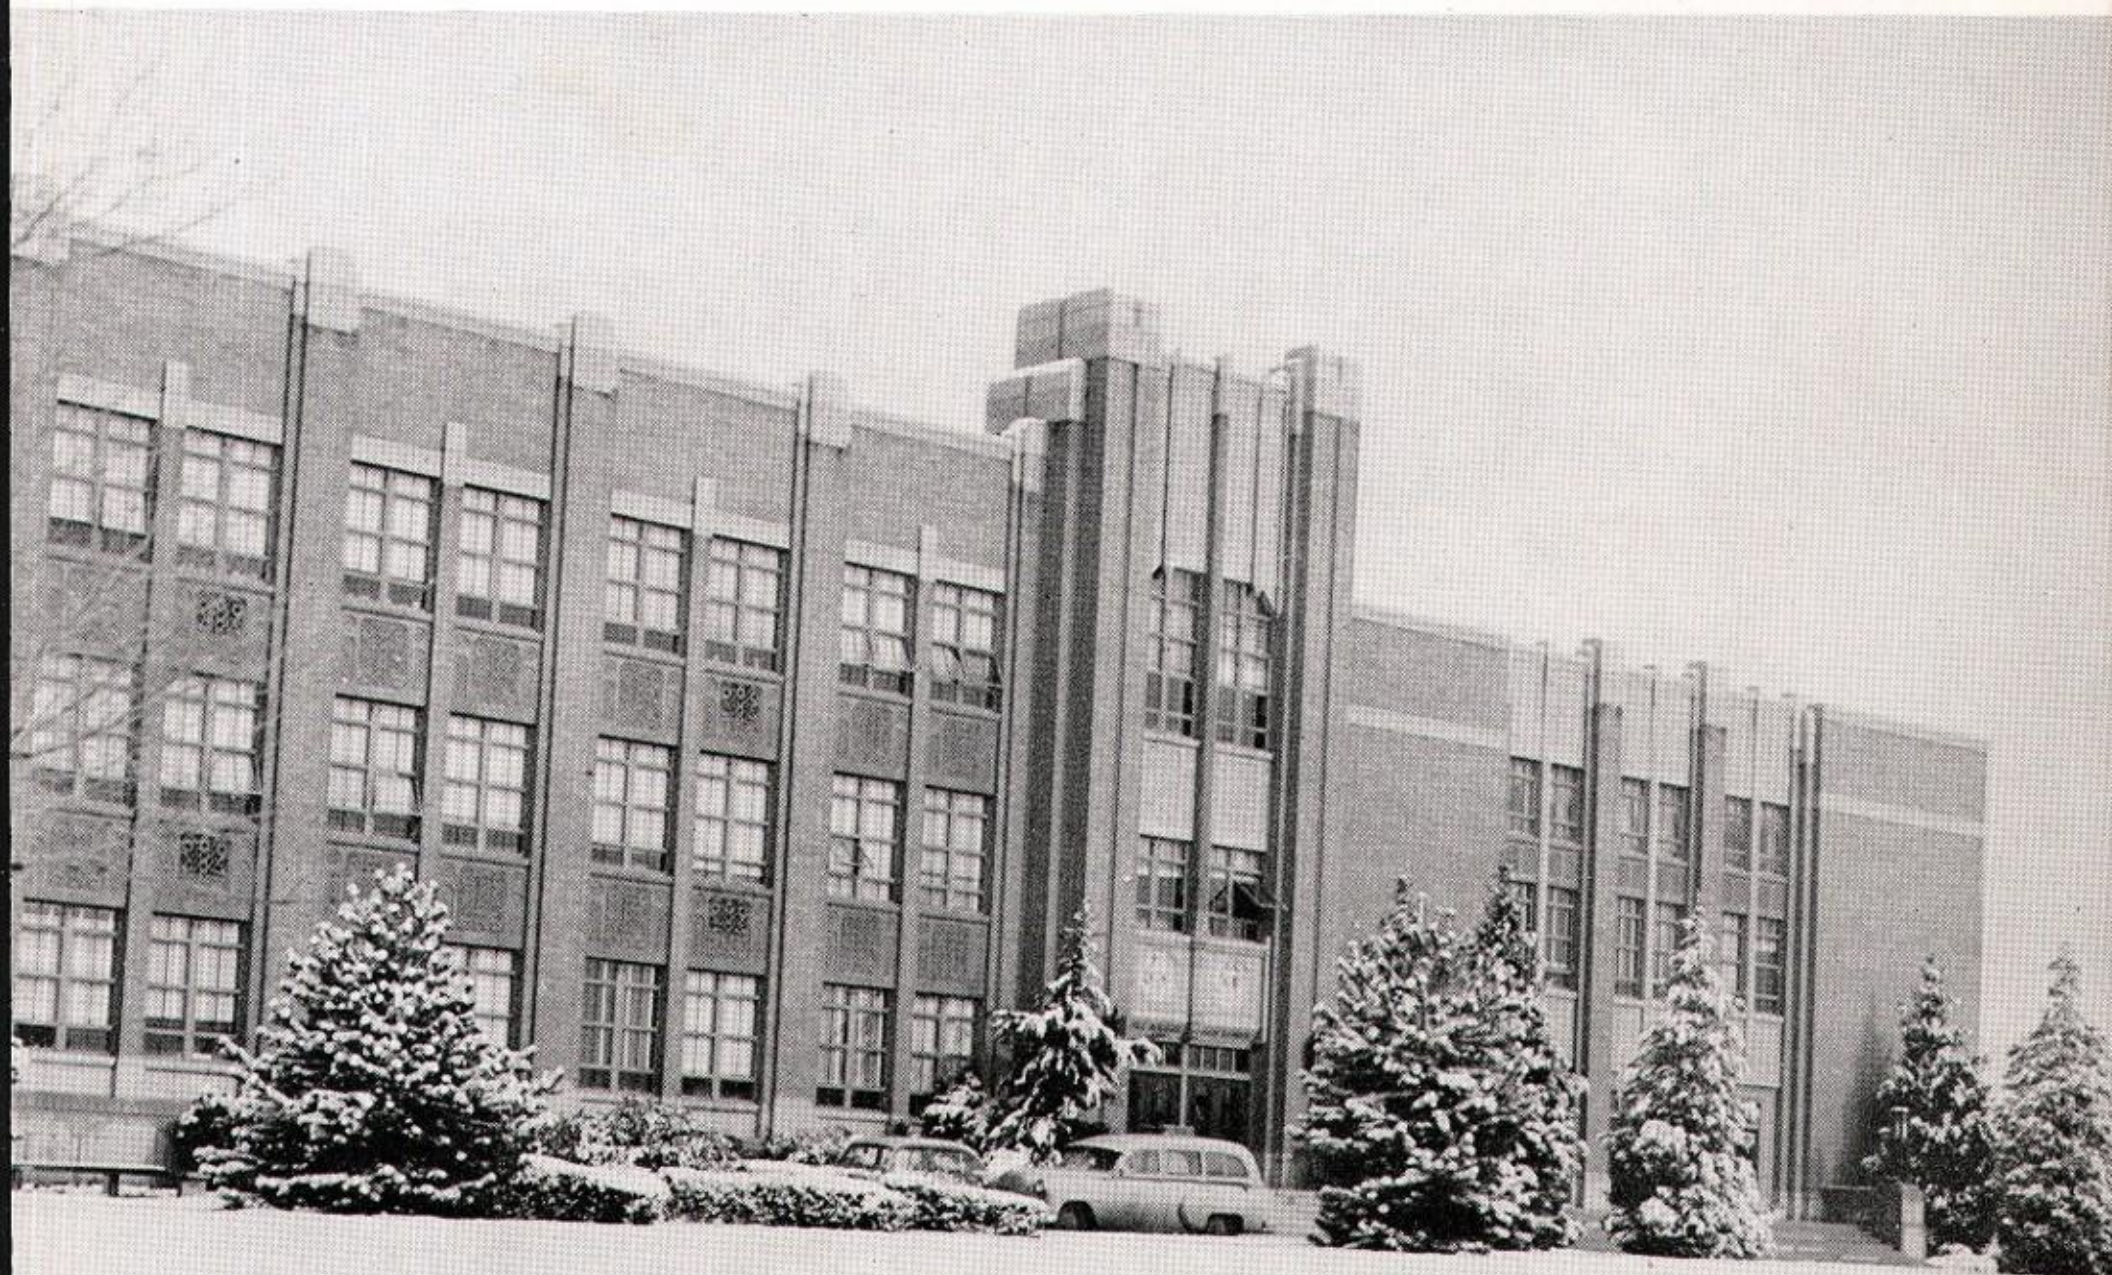

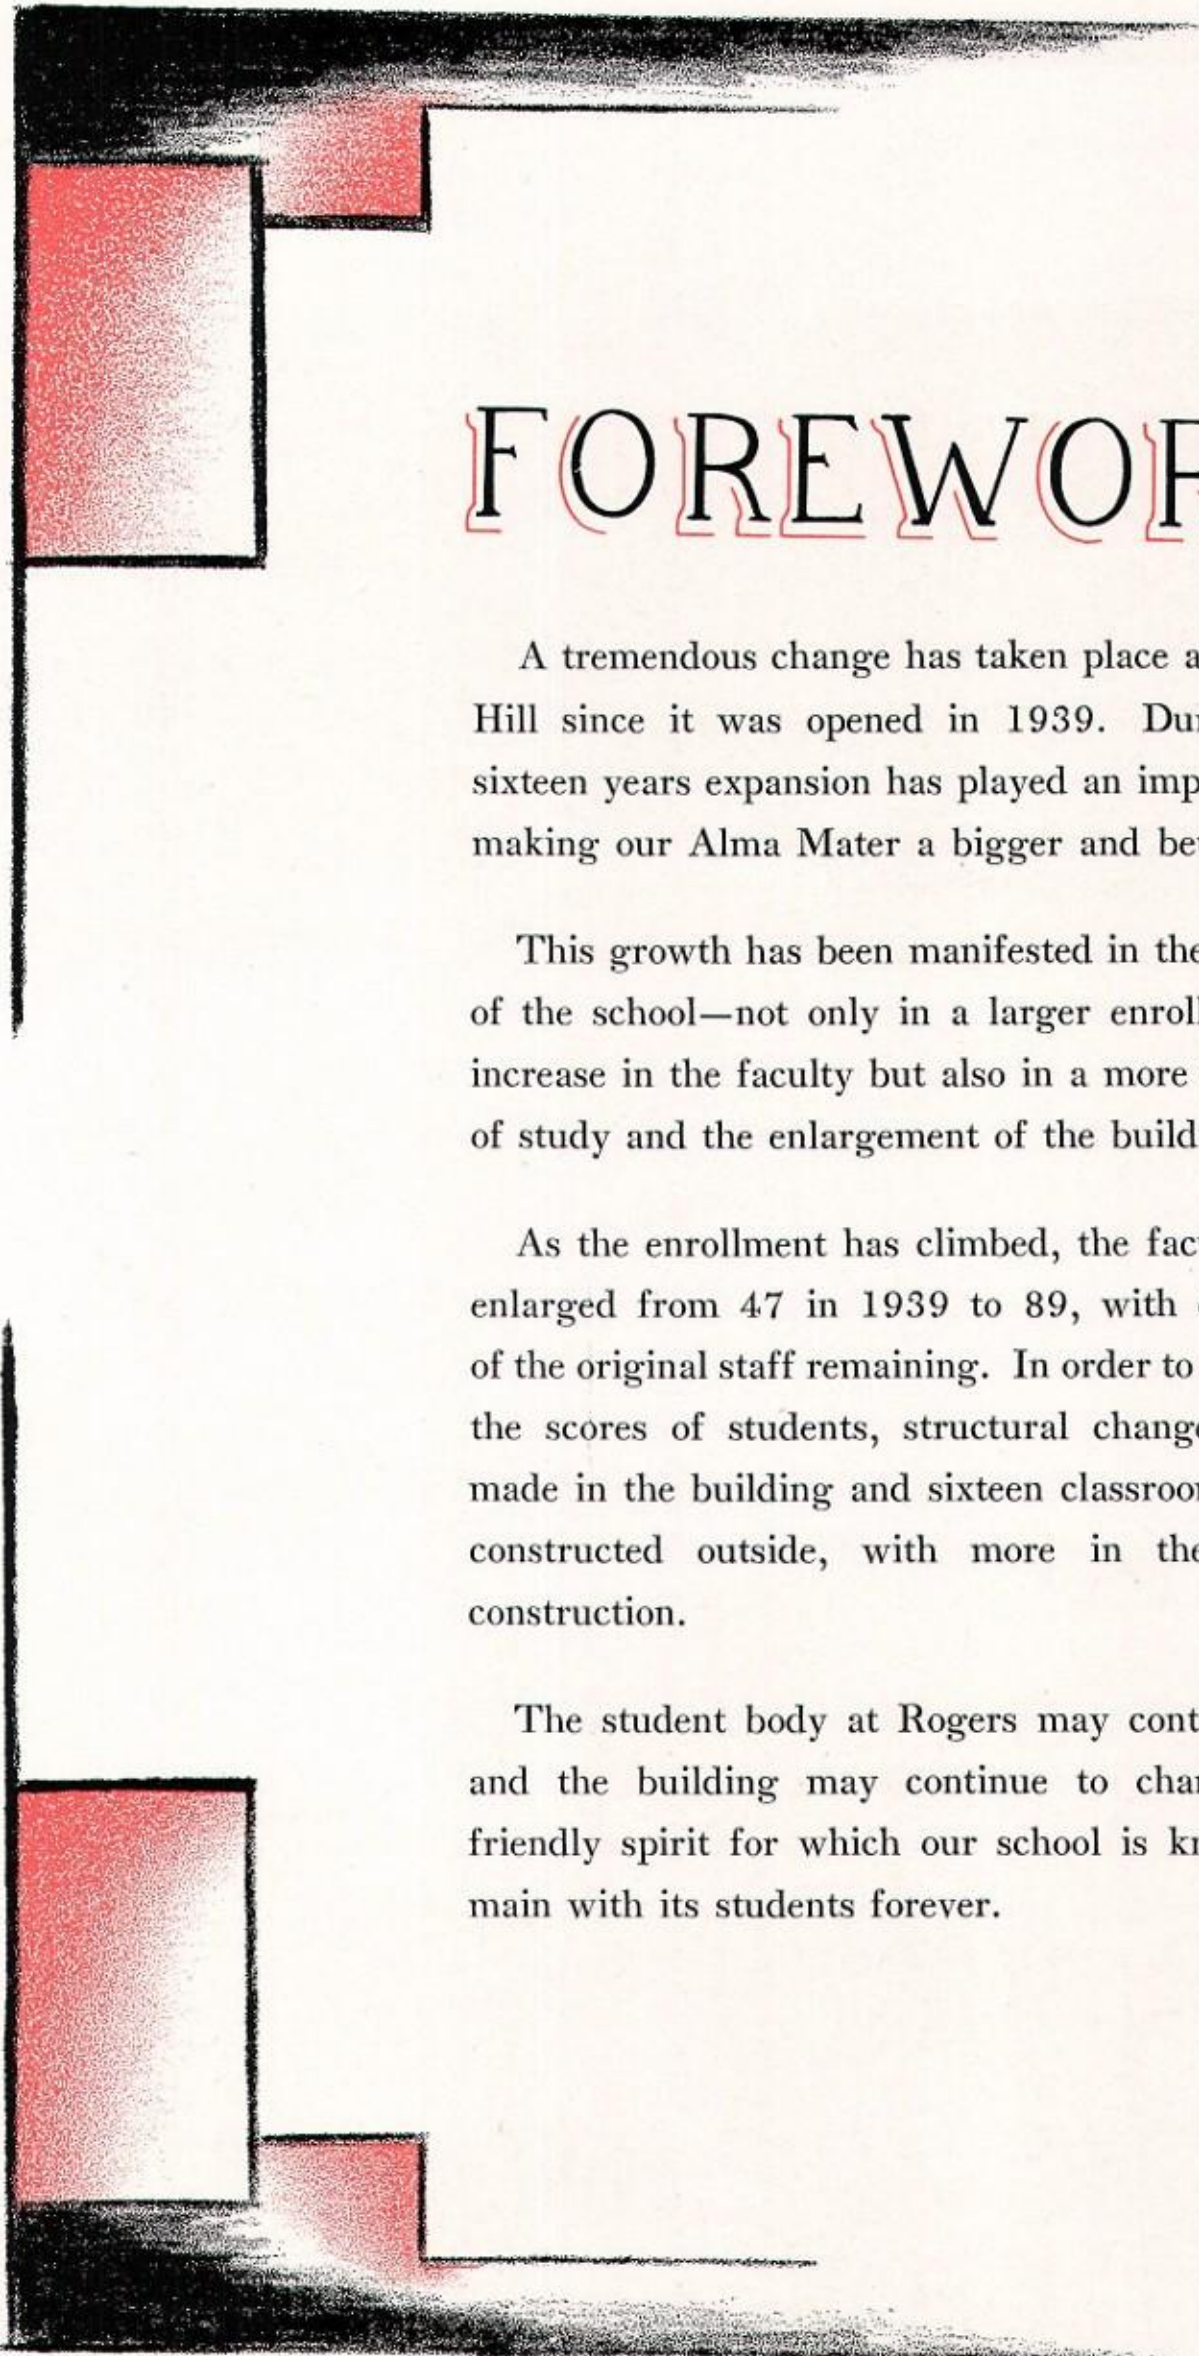

With expansion changing almost everything, here an unchanging part of our building is shown beside the ever-changing beauty of nature.

*"Will-on-the-Hill"
in 1939*

Through the years our school retains its majestic beauty

FOREWORD

A tremendous change has taken place at Will-on-the-Hill since it was opened in 1939. During the past sixteen years expansion has played an important part in making our Alma Mater a bigger and better school.

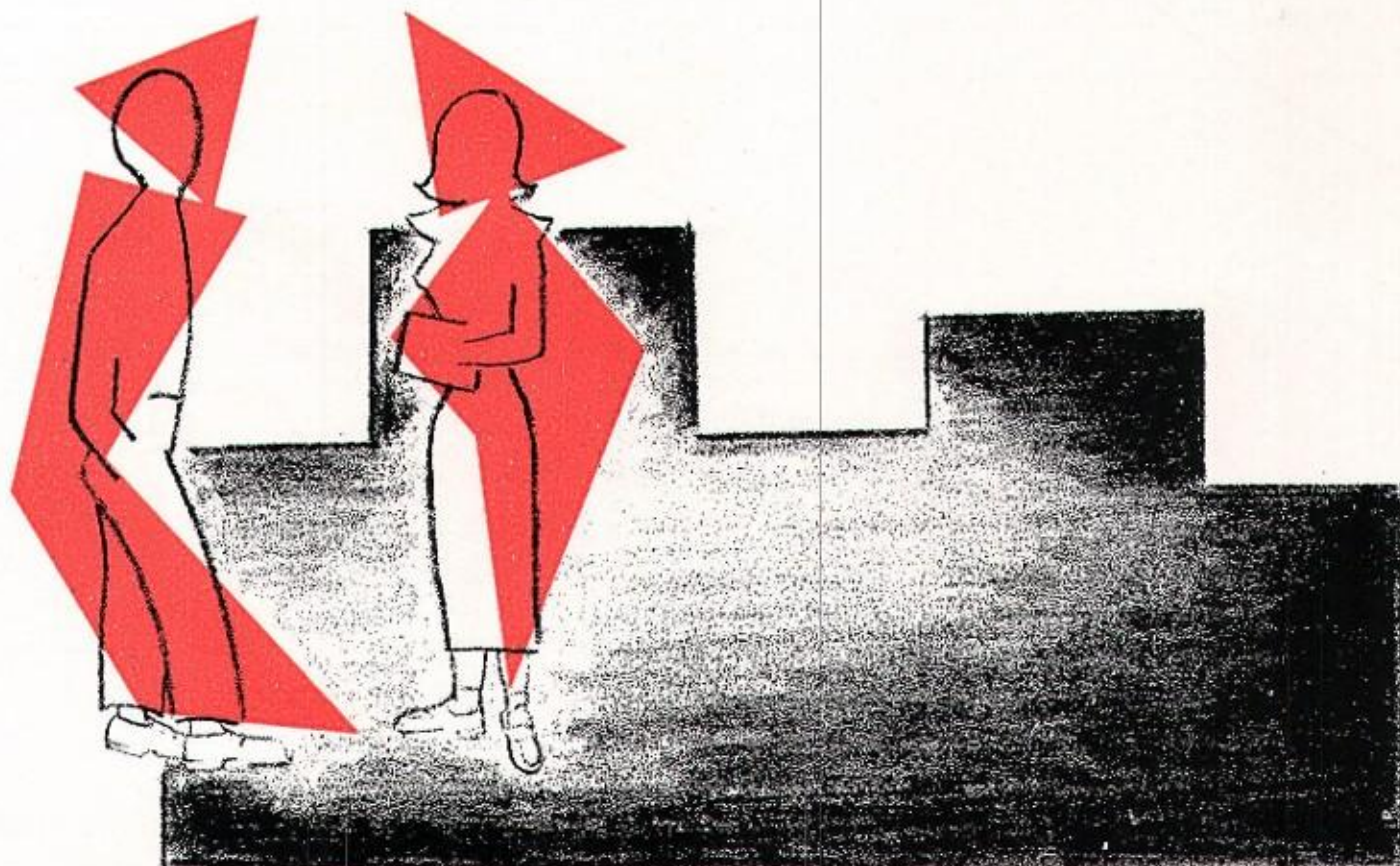

This growth has been manifested in the development of the school—not only in a larger enrollment and an increase in the faculty but also in a more varied course of study and the enlargement of the building.

As the enrollment has climbed, the faculty has been enlarged from 47 in 1939 to 89, with only eighteen of the original staff remaining. In order to accommodate the scores of students, structural changes have been made in the building and sixteen classrooms have been constructed outside, with more in the process of construction.

The student body at Rogers may continue to grow and the building may continue to change, but the friendly spirit for which our school is known will remain with its students forever.

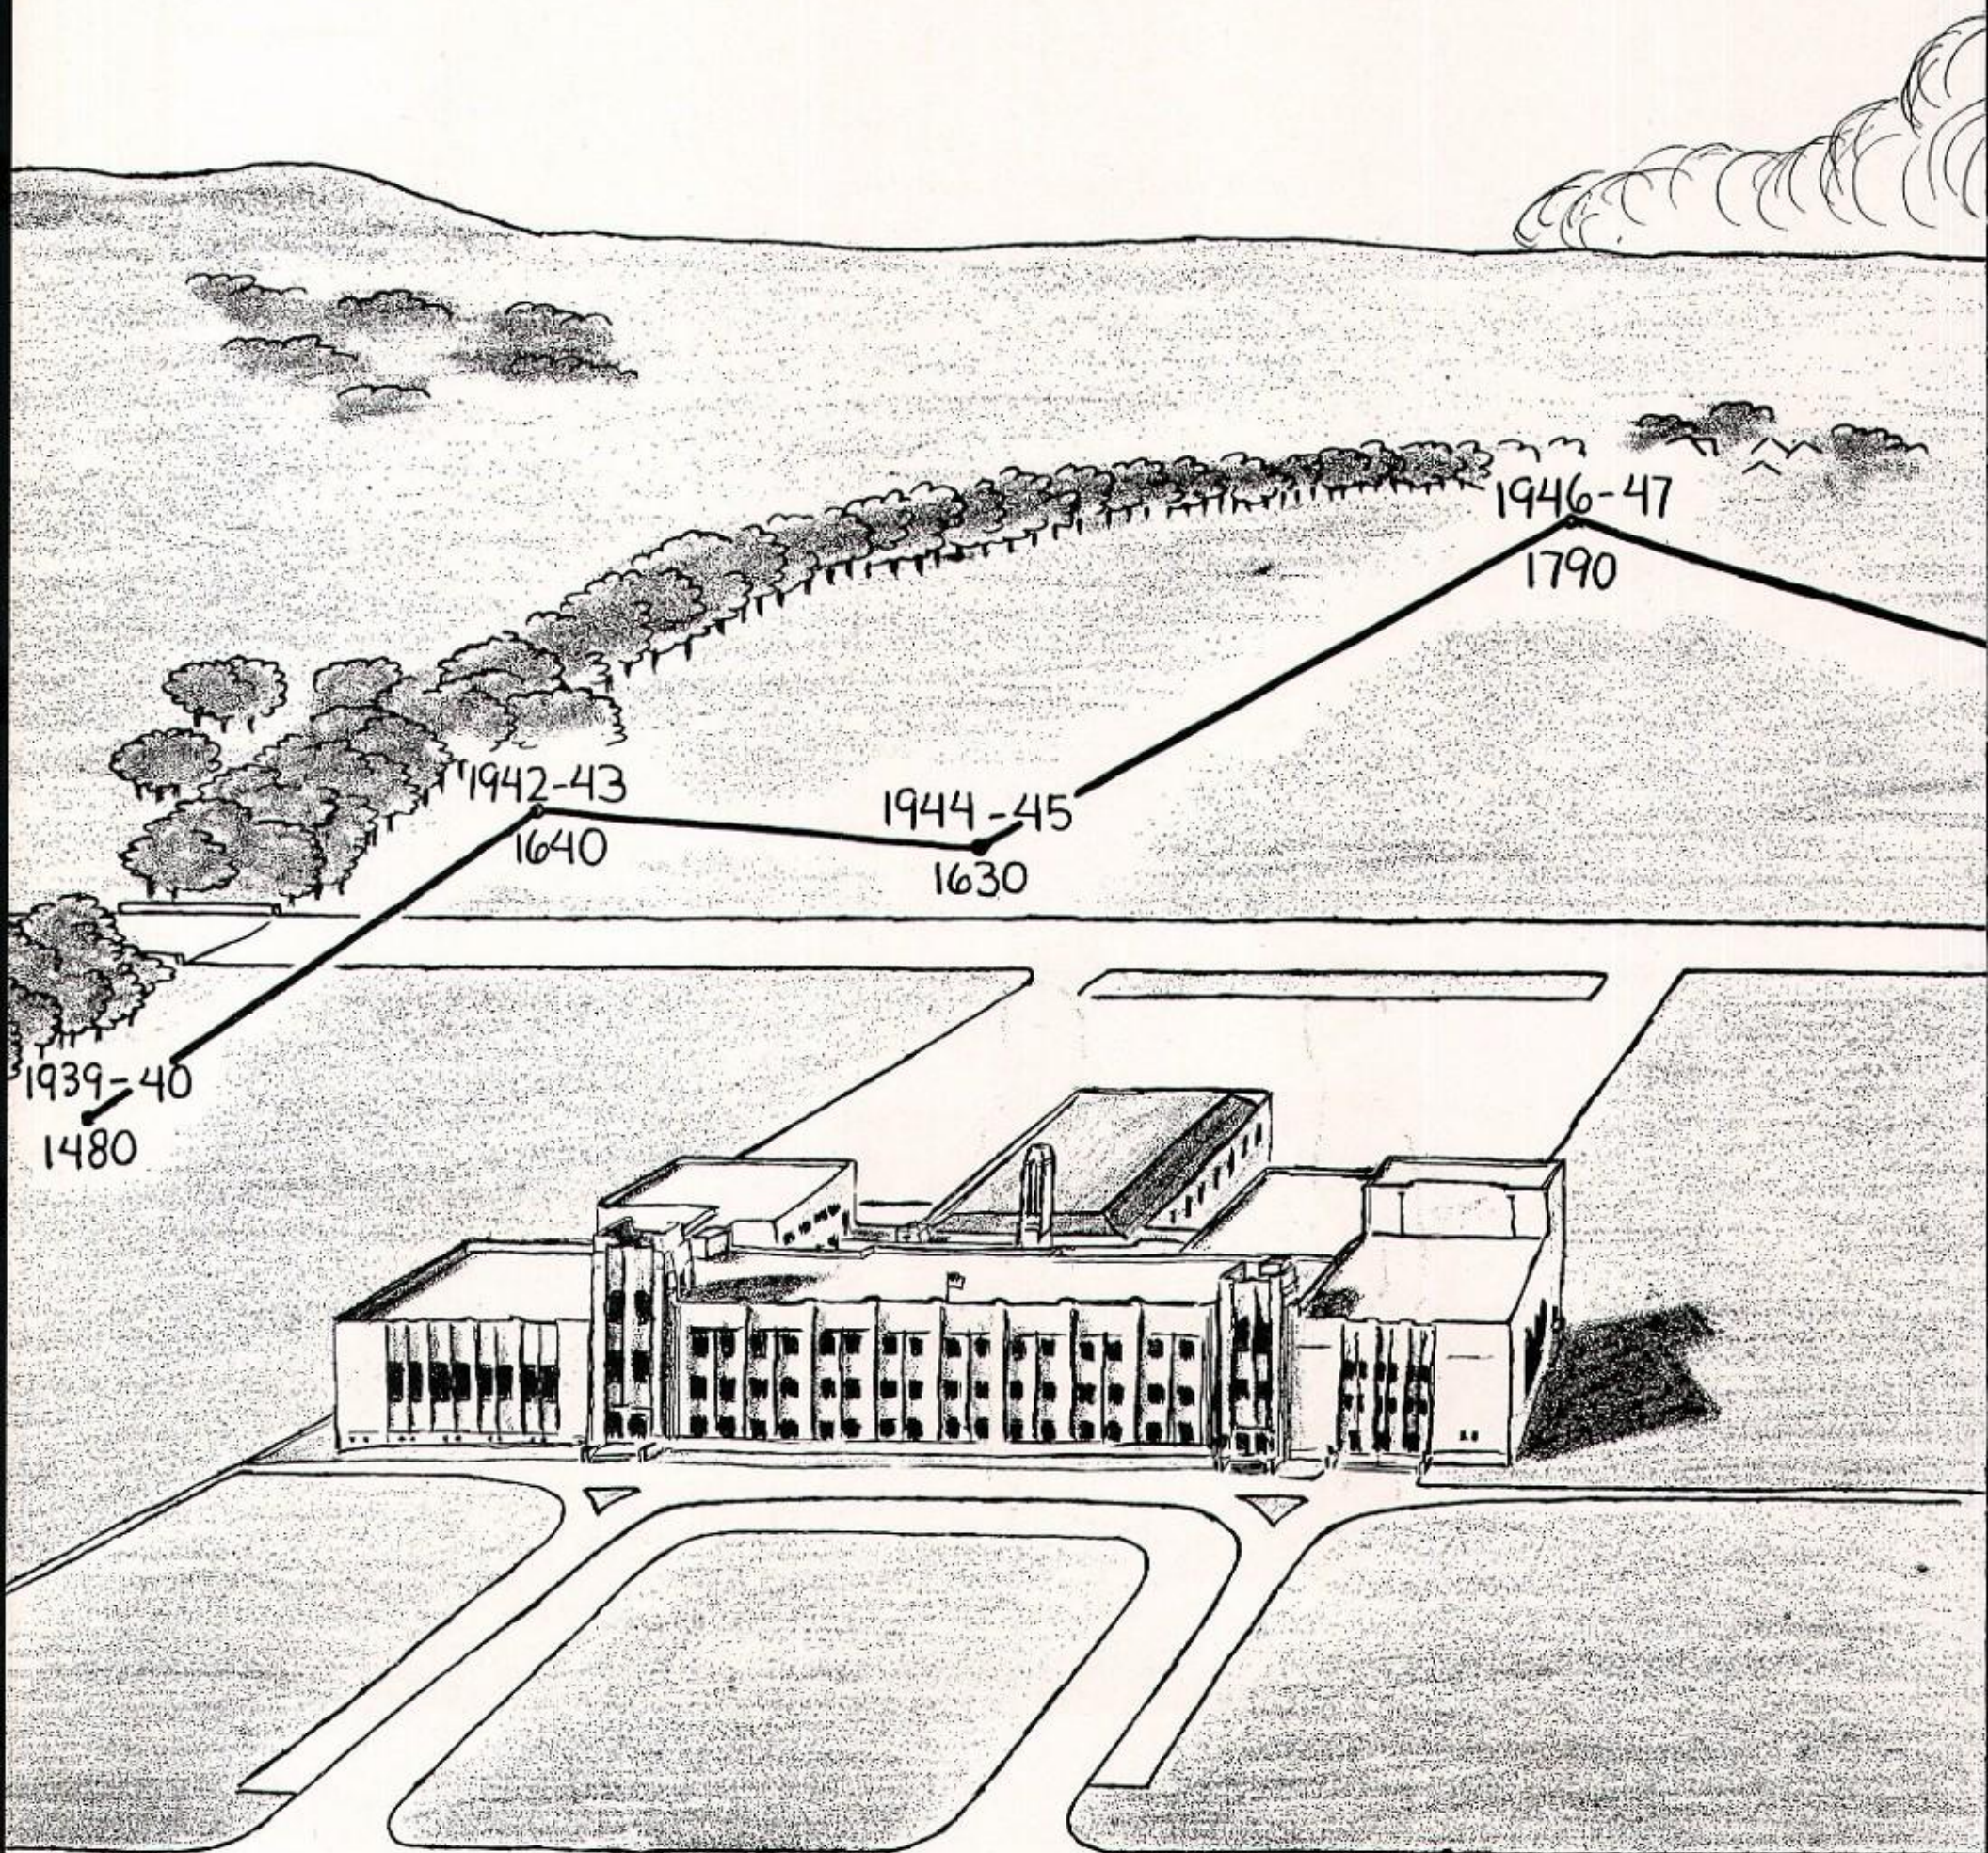

DEDICATION

*To each and every member of
the student body who has helped
to make this a record-breaking
year at Will Rogers, we the Lariat
staff dedicate the 1955 Lariat.*

Which is worse?

New buildings or Sophomores?

New Teachers

*Expansion also calls for
new teachers.*

New Students

1. Interesting, huh?
2. Artists?
3. Future Einsteins.
4. Mother's little helpers.
5. Think they'll live through it?

Sophomores Come*

*Will They
Ever Be
Seniors?*

An abstract geometric design featuring a large red triangle with a black outline. The triangle is positioned on the left side of the page, with its base at the bottom and its apex pointing upwards. A black line runs horizontally across the top of the triangle, and another black line runs vertically down the right side of the triangle. The text "BOOK ONE" and "THE SCHOOL" is written in a bold, red, sans-serif font with a black outline, centered within the triangle.

Our Faculty Performs

A traveling medicine show arrived on our stage, displaying hidden talents of some of our faculty member. "Mighty Madge" Gibson combined brawn with brain when she portrayed Casey at the bat.

SENIOR MEMORIES

Will-on-the-Hill was bulging at the seams September 7. We started off our last year with many changes. There were hundreds of sophomores who were always underfoot. Besides the sophomores we had twenty-eight new teachers and sixteen new classrooms in the annexes.

Crowds thronged to the annual all-school mixer which we sponsored September 10. The senior social committee did a great job prompting social harmony between the seniors and the underclassmen. It looked as if this was going to be a very successful and prosperous year for us.

One of the biggest days of our senior year was when the entire senior class stampeded to Boswells. WHY? At long last our senior rings had arrived. Maybe we were not sure before, but we had finally been convinced that we were seniors.

Friday, October 1, we entertained the underclassmen again. This time we had a dance after the Rogers-Central game. Although Rogers lost the game, we revived ourselves by having a wonderful time.

Another big success of October was our Senior Class play, "One Foot in Heaven," which was presented October 21 and 23. Mrs. Erma Martens, new to Will Rogers this year, directed the play, her first production in Tulsa.

Coronation of the Football Queen saw Karen Jones accept the reign as Miss Will

Rogers the 16th. In our opinion, Karen is the most beautiful and gracious queen ever to accept the throne. Woody Stalnaker had the honor of crowning her. We came up with a wise selection again by choosing pretty Betty Jane Tucker and Trina Wright as her senior attendants.

On November 5, the teachers of ole' Will-on-the-hill gave an entertaining program to the homerooms with a 100% membership for the Junior Red Cross drive. We will never forget Coach Knapp's inspiring chalk talk to the faculty football team composed of: Perry, Gartman, Calhoun, Hawkins, Cottingham and Lockwood. Last but not least we will always remember "Mighty Madge" as "Casey at the Bat".

It was again time for royalty. Every night you could see a large number of girls selling tickets to the Loyalty Night football game. The climax of suspense-filled weeks arrived with the announcement of Marilyn Combs as Rogers Band Queen during the half-time activities of the Roger-Classen game, November 19th. Millie Imel and Donazel Bowman were her attendants. A dance following the game was held in honor of the Football Queen, Band Queen and their attendants.

The feeling of Christmas was in the air around Will Rogers, especially at our senior party December 18. Many parties were given during the season but we all agreed none could compare with ours. The Christmas Tree committee, headed by Brian Ausburn,

SENIOR MEMORIES

did a wonderful job decorating the tree provided by the senior class.

We credit the success of our class mostly to Eddie Haug who helped us begin our sophomore year as president. Again we called upon him to serve and see us through our senior year. Eddie had an excellent cabinet of officers to help him in making our last year an outstanding one. They included: Dick Williams, Vice President; Sherry White, Secretary; Wilma Bagwell, Treasurer; Earlene Hughes, Social Chairman; and Mike Bell, Student Council.

The Seniors could not realize that graduation time was near but when the time came

for ordering announcements and name cards, they knew it would not be long until they would don their caps and gowns.

May brought on more activities than we could see over. The 17th the senior class was at Mohawk for the senior breakfast. The time came all too soon for us to go back to school.

Class day viewed some mighty sad hours when the seniors realized this was the last day of school. Vespers also left the seniors with a low spirit but it was not long until smiles replaced the tears for everyone had an outstanding time at the annual banquet and prom.

The most memorable event of all our high school activities was Commencement, when we received our long awaited diplomas on June 1.

The last round-up is here for us. There are many things we shall never forget about our wonderful high school days. The assemblies, the beautiful Amen response and all the constructive help our teachers have given us to face the difficult road of life. Most of all we shall always remember all the true friends we have made at Will Rogers. As we walk out the doors of Will Rogers for the last time, we have one thought in mind for the entire Senior Class of '55

"NO, NO, GERTIE..... THAT'S NOT WHERE YOU WEAR YOUR STEADY RING!"

"May the Lord Bless You and Keep You"

Juniors Present "Meet Me in St. Louis"

Front Row, left to right: Jo Daulton, Gail Welch, Mike Griswold, Annette Miliken, Mary Jane Oxley, Joyce Moore, Betty Griffin, Barbara Simon, and Barbara Davis. Second Row: Eugene Dunsmore, Stanley Wilson, Edward Hoag, Judy Edwards, Winston Davidson, Nick Gubser, John Weymouth, and Hal Hurst.

JUNIOR MEMORIES

We returned to school finding that our record of being the largest class ever to enter Will Rogers, had been given to the Sophomores. However, we felt that our record would be established by quality rather than quantity in our junior year.

Wayne Calhoun, president of our class led us successfully through the year with the help of his cabinet, composed of Upton Hudson, vice-president; Sherry Baker, secretary; Theda Cox, treasurer; Judy Edwards, social chairman; and George Bullette, student council representative.

One of the first activities the junior class sponsored was the Football Finale after the Rogers-Classsen football game. A huge blue and gold crepe paper football was the center of attraction as it hung from the ceiling in the gym. Every junior was sure that our football queen attendants, Sherry Baker and Janie Smith were the prettiest ever elected.

The spirit of the junior class was shown when we set an all-time high in ticket sales for class plays for our play "Meet Me in St. Louis." The play was presented to a full auditorium on December 2 and 3.

We celebrated Christmas with a chili supper early in December. Janie Smith was elected Christmas Queen of the junior class this year.

The complaints from the juniors about annex classes were few and far between, since few juniors had classes in the annexes.

Lest all these frolics and larks spoil the gay Class of '56, Junior Themes hung heavy over their heads half the year. The halls resounded with mournful cries of "I've lost my note cards," "I can't find any references," and "What's a bibliography?" After it was all over we felt as if we had created a great masterpiece. Teachers were not so enthusiastic, but we were all very very glad to be through with it.

At the turn of the semester we began the task of standardizing our senior rings. The ring committee did a wonderful job and finally selected the J. E. Balfour Company to make the rings. At last the design we all liked was selected and each day we became more impatient to get our rings.

Juniors were proud of the fact that they helped to win the coveted "Traffic Award",

JUNIOR MEMORIES

given to the school with the least percentage of traffic tickets for the preceding month. The handsome trophy held a place of honor in the main hall.

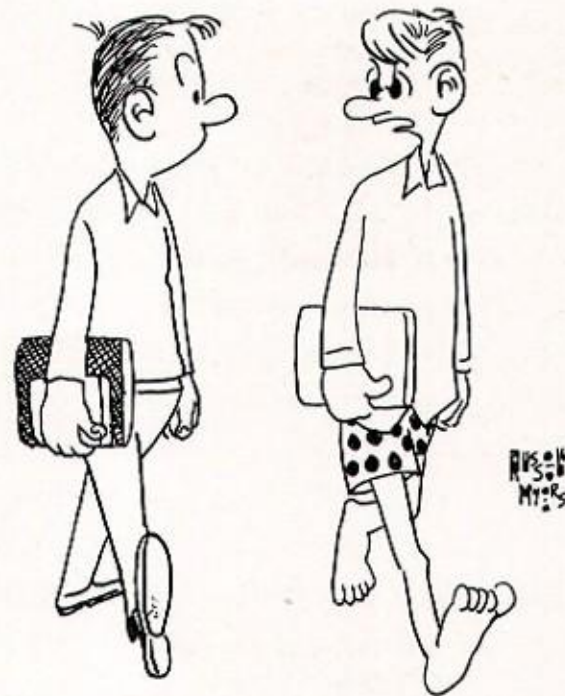

The return of our portrait of Will Rogers was a welcomed addition to the opening night of the Round-Up. "Lights Up", one of the most successful productions of the Round-Up in the history of our school was presented February 21-26. We again proved our ability by adding a great deal to the success of the Round-Up, by contributing both to the planning and production of the show.

A highlight of the second semester was the junior class costume party. The theme chosen was "Ship Wrecked on Treasure Island", and refreshments and decor were chosen with marooned juniors in mind.

The juniors look forward to the beautiful prom to be held May 27. We know from past experience the sophomores will look on with envy. We think we will do a wonderful job of decorating, financing, and planning the grandest and largest social event of the year. We will owe a great deal to Judy Edwards

and her prom committee, for making our first prom a very outstanding one.

As the halls emptied during Senior Week we began to feel the responsibility the senior class was leaving us, as the seniors have become a part of our high school years. We regret to see them leave; although we are anxious to assume the leadership of the Senior Class of 1956.

SOPHOMORE MEMORIES

We entered the big halls of Will Rogers on the seventh day of September, to discover we had the distinction of being the largest class ever to enter ole Will-on-the-Hill. The upperclassmen knew we were the largest sophomore class ever to enter, but if they expected all sorts of antics from us we hope they were disappointed. We prided ourselves on being one of the best-mannered classes in a long time.

We had our share of beauty, brains and brawn too, for example, in the final run-off for queen attendants, Robyn Bennett and Beverly Wilde emerged as the winners. That should be enough proof of our beauty. Since it was the first coronation of any Will Rogers Queen that we had ever seen, it very naturally left us breathless and prouder than ever that we attended Will Rogers.

One of our biggest fears was of dropping our trays in the cafeteria and having everyone yell "SOPHOMORE". Actually, the juniors and seniors tried to help us in various ways — by selling us elevator keys, for instance.

Our class officers' election was another eventful part of our sophomore year. After a forum to introduce the candidates for each office, our big election was held. The winning slate convinced most of us that it's a woman's world, for only one lone member of the masculine sex gained office. Elected were: Bill Winslow, president; Sue Clements, vice president; Carla Jones, secretary; Ann Cook, treasurer; Ann Adams, social chairman; and Marian McBride, student council representative.

SOPHOMORE MEMORIES

(Continued)

On November 14, the annual open house was held in observance of Will Rogers' birthday. Parents and teachers met in the various rooms and attended an assembly about American Education Week. Our parents learned why we were so enthusiastic about the school faculty and program.

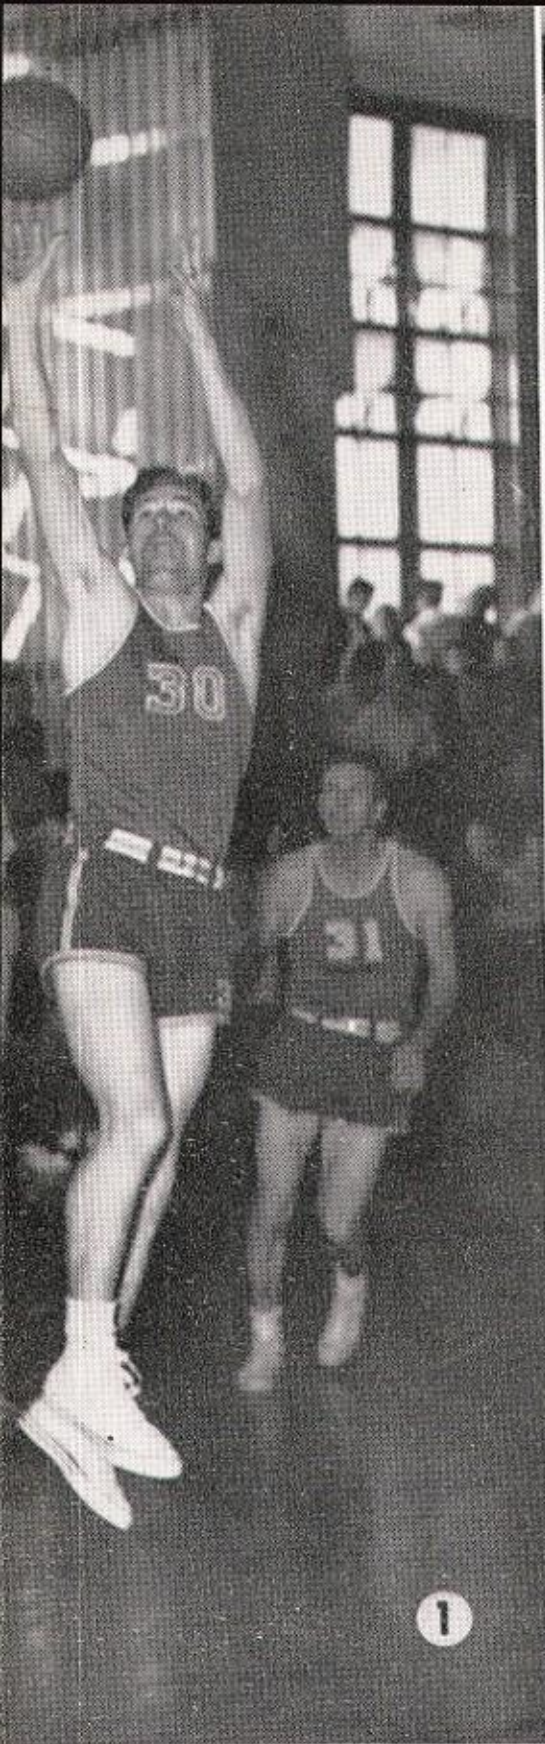

Something new was added this year. Several sophomores received their senior rings early, but only for a few days. These lucky people were Phyllis Polite, Nancy Babb, Kenny Teel, Pat Jackson, and Bart Ramsey, chosen by their classmates to serve on the Ring Committee. As part of their duties, they examined various types of rings and wore different styles, for their classmates to observe. The purpose of all this was to have designed for Rogers a "standard" ring.

We were very fortunate in having Miss

Edwina Calhoun as our class advisor. Although this was her first year as sponsor we feel she did an exceptional job.

Then came our shining hour, on March 31 and April 1 when the Class of '57 presented for the first time in Tulsa, "I Love Lucy". Our own Ann Cook was a wonderfully zany Lucy and David Hitchens made a perfect Rickey. We all worked eagerly to make our own play the wonderful success it was.

Our big party in April wound up the sophomore festivities for this year in high style. In spite of all the remarks made about us as sophomores we will always remember our sophomore year as one of the best. It is with fond memories of the wonderful happenings of this year that we look forward to our junior year with even greater enthusiasm.

Publications Board

The Publications Board's duties are to decide upon photography, printing, engraving, contracts, and other business matters for the Lariat.

Due to the increased enrollment, the Board found it necessary to have 208 pages in the 1955 Lariat, which makes it the largest yearbook in the school's history. This is the second year that the Publications Board has had the opportunity to choose an additional color for the Lariat.

Members of the faculty on the Board are

Miss Caroline Copeland, chairman; Mr. Roy Lewis, business manager; Mrs. Hortense Bateholts, art; and Mr. Harold McCord, photography.

Student members of the Board and their positions are: Patti Grimes, secretary; Ann Capshaw and Lillian Smith, business managers; George Shell, photography; Jo Daulton and Bill Hardy, art representatives; and Joan Gray, Bonnie Erickson, Ray Grant, and Dorothy Smith, representatives from the Yearbook class.

Activities

Because of the increase of enrollment, many more pictures had to be taken and more pages added to the Lariat, which resulted in many more jobs and problems for the Lariat staff to undertake this year. The staff is in charge of seeing that all sophomore and junior pictures are taken, senior appointments made, and all pictures trimmed and pasted on the panels. Other jobs are organization write-ups and planning of the book. For the finished product, the book had to be proof read, sent to the printer; and the completed book distributed at the end of the year. Decisions as to choice of designs and color on the various pages are part of the staff's responsibility.

Since the opening of Will Rogers High School the 'Tulsa School Life has been printed jointly by Rogers, Webster, and Central.

There are 25 members on the staff who write stories for the weekly four-page issue which is affiliated with the National Press Association.

A feature editor, sports editor, and two news editors were elected by the staff.

On February 17, a special issue was prepared by the Rogers staff for the Round-Up, with pictures by student photographers.

Reporters on School Life also learned to write headlines for their stories.

In February, five members of the staff went to Norman for the Inter-scholastic Press Association Conference. In April, staff members attended Journalism Day at Tulsa University.

Activities

Artists Inc. is an honorary organization. Its purpose is to encourage creative art. Club meetings are held every other Friday morning before school.

This year the club has been sponsoring a series of talks by noted people in the field of art.

Members receive points for artistic contributions to their community or school. The student earning the most points throughout the year is honored on the annual awards assembly. Last year Jim McCormick and Clyde Rill tied for the honor.

Student Council

The Will Rogers Student Council is composed of elected student representatives from each home room and each school organization. The Council has many activities designed to better the school and educational standards.

This year they started an intensive traffic safety campaign to decrease traffic violations. They sponsored a drive to raise \$300.00 for the portrait of Will Rogers which hangs in our main hall.

The Council also compiled and sold the student directories and the student handbook,

which is sold to all new students. They took charge of all elections, sponsored a welcome assembly and chapel services. Representatives were sent to the Southern Association of Student Councils Convention which was held at Jackson, Mississippi, and the State Convention at Duncan, Oklahoma. All members attended the Interschool Council Convention at the University of Tulsa. They are also in charge of selling plastic covers for the yearbook.

Key Club

The Key Club took part in varied activities this year. In the fall, five of the new officers attended the leadership convention in Dallas. In December the members participated in Safe-Driving Day and gave a Christmas basket to a needy family. The annual Bowery Ball proceeds were given to The March of Dimes. Many of the members attended the district convention at Odessa in April. They sold cokes at the games, sponsored a "Cure Vandalism" campaign, and presented an award for the outstanding athlete of the year.

The Thespians Club of Will Rogers is a national organization. To become a member of this club it is necessary to earn points. This can be done by participating in plays, assemblies, and working on different committees.

After becoming a member of Thespians, each of the members continue to earn points toward the goal of becoming Honor Thespian. Every year recognition is given to the best Thespian.

Hi-Y and Keystoners

Activities

November was a busy month for Hi-Y and Keystoners. As one of their outstanding services, the active group visited Tulsa University and sold cake to the students, giving the proceeds to the Tulsa County Farm for the old people. Food was brought to their Thanksgiving dance to fill baskets for needy families for Thanksgiving. Their Carnival was a big success and all of the proceeds went to the Y.M.C.A.

In January they assembled in Oklahoma City for "Youth in Government."

During February, they held their annual Sweetheart formal. This year, as every year, they gave the Easter Sunrise Service at the Y.M.C.A.

The sponsors are Miss Vinona Lawson, advisor, and Miss Lola Wells, junior advisor.

The Horizon Club for girls is a service organization. The members of this organization have various activities of service to others in the community. Some of the projects this year have been working as guides at the Gilcrease Art Center, entertaining at the Children's Convalescent Home, and working at the Public Health Center.

The Horizon Club has many social activities also. These include picnics, hay rides, camping trips and parties. A special dinner is given to initiate new members. This year a convention was held in Oklahoma City in October with Horizon Clubs from Tulsa and Oklahoma City attending.

Future Nurses of America

Activities

Future Nurses of America was formed in order to inform the girls of the many opportunities in nursing and to help them prepare for their entrance into nursing school.

The club meets every Friday at 8:10 in the morning. Films on different types of nursing are shown and special speakers give the girls talks on all phases of their chosen career.

Many of the girls have worked as aides at the hospitals and are on call for voluntary work at all times.

Library Assistants

Some of the activities of the library assistants are: keeping books in circulation, cataloging and arranging card files, assisting the librarian, checking out books to students, assisting students in getting reference material, shelving the books, writing out fines and overdue notices, taking annual inventory, processing the pamphlets and magazines, checking out magazines and periodicals.

The library assistants are chosen by Mrs. Ethel Moore, the librarian. This year they organized a library club and one of their first activities as a club was to entertain the faculty at a coffee where the new books were displayed.

In April the members of the club met in the University of Oklahoma Library at Nor-

man with other library clubs from over the state. There they formed a Teen-Age Library Association which is based on the same pattern as the Oklahoma Library Association.

Guests at the convention also suggested that a state-wide organization of high school library-science students be formed with an annual meeting.

During the remodeling period the three conference rooms on the east side of the Will Rogers library were converted into one, called the Will Rogers Memorial Conference Room.

The P-T.A. sponsored a book drive during the month of March and of the 826 books collected at the building the Rogers library kept 100.

Office Assistants—*Front Row, left to right:* Stanley Johnson, Shirley Newberry, Carolyn Conway, Mrs. Frost, Jo Ann Baker, Maureen Lambert, Sonya Ozment. *Second Row:* Phyllis Hoot, Margo Luton, Billie Jones, Sandy Daugherty, Elizabeth Spickelmier, Virginia Hamilton, Lucille Bates, Ginger Honn. *Third Row:* Kay Sue Kinkaid, Elaine Ellison, Margaret Mallory, Kay Ross, Marilyn Casey, Connie Hood, Mrs. Williams.

Office Assistants

Students work in the offices each period of the day, helping with the many duties. Their jobs consist of typing, delivering passes and bulletins, and collecting absence slips. Help is their motto and they are always ready to assist.

Others in the group also help the Class Directors and Deans by running errands, typing, and doing other tasks.

A student assistant operates the switch-board each hour of the school day, starting at

8:00 and continuing until 4:30, handling all calls. Billie Jones, Nina Hamilton, Shirley Newberry, Elaine Cook, Stanley Johnson, and Margie Morrison serve as the PBX operators.

The Student Office Assistants are under the direction of Mrs. Mary Frances Frost, Office Manager, and they assist Mrs. Twila Pitcher, the Secretary; Mrs. Betty Tinney-meyer, the Registrar; and Mrs. Florence Williams, the Attendance Clerk.

Co-Operative Office Training

This year there is one Co-Op class which meets every morning at 7:45. In the class the students study office training and occupations.

Part of the students work during the morning and attend school in the afternoon,

while the others have the opposite schedule. They receive two high school credits for their job, and two credits for the Co-Op class. Miss Allie Dale Lambert is their sponsor.

Diversified Occupations, a training program for boys engaged in trade preparation, was offered for the first time at Will Rogers High School in 1952-53. Part-time employment is secured for the students, thus giving them an opportunity to work and also complete their high school education.

The program began the third year with twenty-eight boys in fifteen different occupations. These boys begin school at 8:00 each morning and report to work at 1:00 in the afternoon. Mr. Roy V. Lulow, the D. O. instructor, supervises the boys on the jobs.

An Initiation in the Trade and Industry Club was held in the Assembly Room, October 21, 1954, for this year's new members. Twenty-four members were initiated. This club is chartered by the State of Oklahoma Vocational Education Department No. 57.

The D. E. Club at Will Rogers is for all students who are interested in some field of distribution as a vocation. Classes are taught in retail selling, credit operation, store arithmetic, display, advertising, textiles and merchandise information. Students in D. E. classes learn new methods to enable them to be the "Merchants of Tomorrow."

The purpose of this club is to develop leadership and interest in the field of commercial distribution.

Students are able to hold part-time jobs while attending school.

At the state convention held in Stillwater, March 13-15, the Will Rogers Distributive Education Club tied for first place honors with a club from Pauls Valley for the C. K. Reiff all-sweepstakes award. In competition, Rogers students received fifteen Superior ratings and four excellent ratings. Ronald Willfong was selected as a delegate to the national convention at Richmond, Virginia, April 17-21.

Activities

Choraliers, a musical group for boys and girls, was organized in 1952. Since that time it has increased in membership to the present number of over eighty.

Their first engagement this fall in November was to sing "Give Me Your Tired Your Poor" on the Educational Week program, the Friday morning assembly, and the P-T.A. open house Sunday afternoon.

They went to Stillwater for the A. and M. Thanksgiving Choral Festival. The music learned for this festival was later presented with the A Cappella Choir on a school assembly program.

During Christmas they helped present the Messiah and contributed one soloist, Martha O'Neal.

In January the All State Chorus sang in Norman. Martha Porterfield, Clement Graham, Bob Tabor, Jerry Cornelius, and

Activities

Will Rogers is certainly proud of its Sophomore Girls' Glee Club. The club now consists of ninety-five members meeting in two classes, second and fifth hours.

This was the first year they were invited to attend the Thanksgiving Choral Festival at A. and M. College at Stillwater. Also

they presented a December all-school assembly of varied types of Christmas music and talent. They appeared on the Easter assembly and gave a concert for Bell Junior High School.

Since this is a training group for A Cappella Choir and Choraliers, development of individual voices and pleasing stage presence has been stressed in every class session and

Ropers' Review

The first issue of the Ropers' Review was published in the school year of 1951-1952. Since then two magazines have been published annually. The first edition is distributed near the close of the first semester, and the second is sold at the end of the year in the spring.

The contents of the publications are essays, poems, sonnets, short stories, and book reviews written by the students and selected for the magazine by the literary members of the staff.

Staff artists illustrate the articles and typists help prepare the material for publication. Eight members from Mrs. Mildred Madry's first hour office practice class published the magazines this year. They are Carolyn Eells, chairman; Elaine Ellison, Mary Anne Foor, Carolyn Hicks, Marilyn Casey, Jo Ann Wyatt, Ruth Sandidge, and Eugena Capehart.

Miss Patricia Rutledge, Miss Tommie Barnes, and Mrs. Mildred Madry sponsor this organization.

This newly organized club received official authority, from the government, to operate an amateur radio station within the school building. There are very few high schools which have this authority.

The Radio Club held regular weekly meetings, Tuesday afternoons after school, and on Thursday afternoons they held code sessions for those who wanted to learn to send and receive morse code.

In the mornings and after school, boys in the radio club made two-way contacts with nearly all the forty-eight states, and some Canadian provinces.

The boys in the club closed the school year by giving a party for their sponsor and advisor, Mr. Sanders.

Dudes

Activities

Working with the Will Rogers Pep Club for the first time this year is the Crack Squad, a newly organized group of girls selected from the Junior and Senior classes. Each girl is responsible for a squad of girls, keeping an attendance report for each. Next year's leaders will be chosen from this year's most active members. The uniform of each squad leader is a gold sweater, similar to those of the Cheerleaders, with a navy blue skirt. The Dudes wear the traditional gold and blue.

The Dudes meet Thursday mornings from 8:20 to 9:05, learning and practicing yells with the cheerleaders.

Not only do they keep the spirit high at major sporting events, but also participate in the crowning of the football queen, and the annual exchange assemblies with Central and Webster.

In the Spring of the year the Dudes vote for the Cheerleaders for the following year.

The Rogers Ropers opened their 1955 season by capturing the All-City classic with two impressive victories, 13-0 over Webster and 6-0 over Central.

Much elated, the Roper eleven continued playing winning football by downing the Webster Warriors in their first conference game 33-6. The game was highlighted by interception by Tom Brown who ran 53 yards for a tally.

The following week, October 1, the hopeful Blue and Gold journeyed once again to Skelly only to be defeated by the Central Braves, 13-0.

This was the last conference loss for the Ropers who, the next week, showed their

stuff at Okmulgee by downing the Bulldogs, 46-13.

Next the Blue and Gold team traveled to Roosevelt Stadium at Lawton, where they chalked up another victory. With all scoring done in the first half the game ended Rogers 28, Lawton 13.

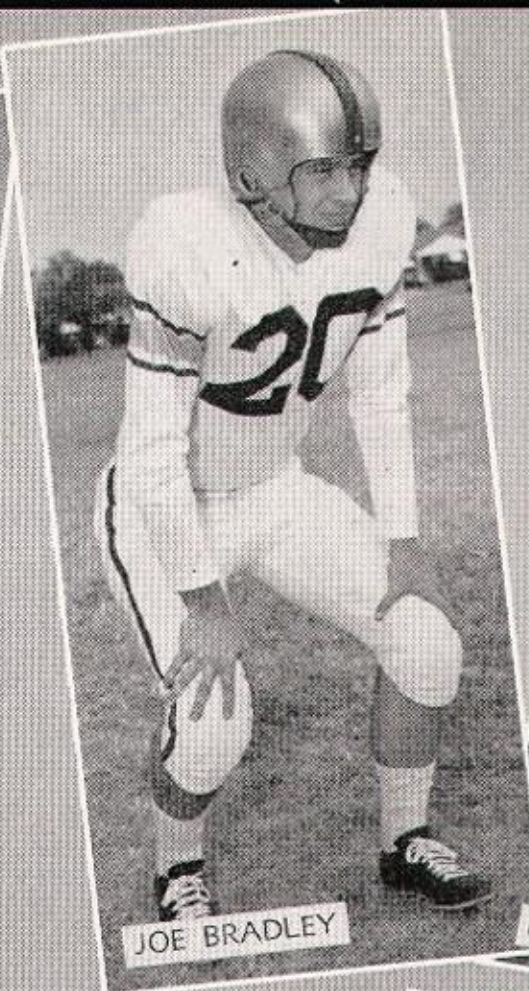

With Fullback Bob Brumble not expected to play, combined with the fact that Muskogee boasted an undefeated season, Rogers Coach Bobby Goad said that they would have to put forth their greatest playing effort in the game at Muskogee. The fighting Ropers did exactly this and emerged with a 0-0 tie. Sports writers recognized this as one of the biggest upsets in state high school football.

The following week Rogers whitewashed Sapulpa here with a 20-0 score. This win was the first of three. They defeated Sand Springs 42-18 and in a close one edged out Bartlesville 25-19.

As the season closed, Rogers was surprised

by the powerful Classen Comets who showed winning football by defeating Rogers 20-0.

The Rogers wound up with an impressive 5-1 record in conference play and succeeded in capturing second place in the Oklahoma Six Conference.

'B' Football Squad

Will Rogers' B Football team turned in an even 4-4 record with a tie for the '54-'55 football season. The Roper Bee's started the season off right by winning three of their first five games while losing one and tying the other.

Their first game of the season was played against a very good Muskogee B team. The Ropers overlooked the fact that they were playing Muskogee and ran the score to 20-0 in the first half. In the second half, however, they went scoreless while the Roughers scored two. Final score was 20-12.

For their second game the Rogers journeyed to Claremore to meet O.M.A. They tasted defeat for the first time when they were beaten by O.M.A. by a score of 18-12.

The next two games were put into the victory column for the Ropers as they took command of Sapulpa easily by the score of 19-0, but they had to fight for their win over Bartlesville as they won by the small margin of 24-19.

Rogers played their hardest fought game against Central's B team. The two teams fought to a 0-0 tie.

Three of their last four games were discouraging ones. They lost to Muskogee by the score of 20-0, Bartlesville 18-0, and finally Central 6-0. The Ropers defeated Webster by the score of 20-0 for their only win of the last four games.

The Will Rogers Roper basketball team enjoyed a prosperous season this year, as they succeeded in capturing a tie for first place in the conference.

They opened the season by downing the boys from Fort Smith 38-34.

This game was followed by the Will Rogers Invitational Tournament. In the first two games in which the Ropers were involved, they won 55-30 and 55-39 over Okmulgee and Midwest City respectively. In the finals, however, they were defeated by the Classen Comets 52-47.

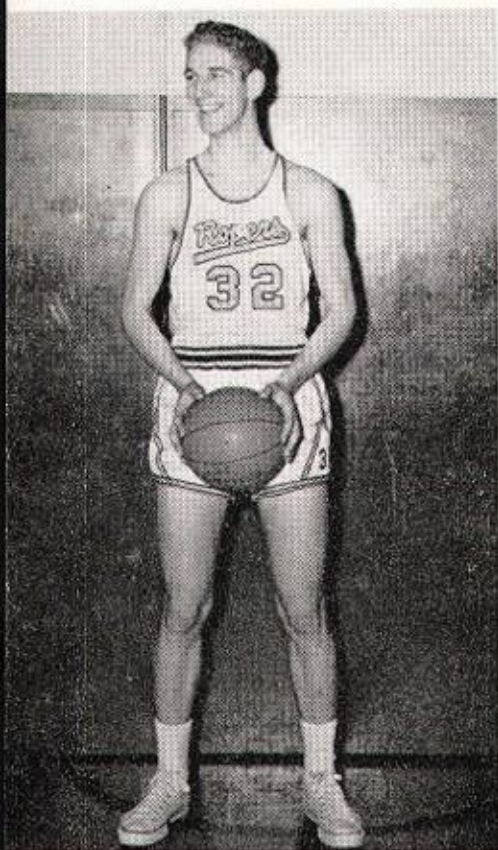

In the first two games following the tournament, Broken Arrow and Ponca City journeyed to the Rogers gym to meet defeat 53-25 and 38-25.

On Tuesday, January 4, the Rogers quintet traveled to Sapulpa for their first conference game. They won it, 66-53. On the following Friday, they met Okmulgee here and won 53-33.

Next, the Roper Five traveled to the Little Red School downtown and suffered one of their only two conference defeats. The score was Central 50—Rogers 46.

The following game was the closest one of the season for Rogers, and one of the toughest. In this game they met Sand Springs here and barely won, 46-45.

On January 18, they beat Webster at the Webster stadium to keep the conference race tight.

Basketball

Following this, they went to Bartlesville and suffered their second and last conference defeat—59-44.

On Tuesday, January 25, the Ropers started the victory ball rolling by defeating Muskogee 54-44.

On the following Friday, they once again beat Sapulpa, this time by a 21-point margin.

As the season progressed the Ropers showed that they were one of the best defensive teams that Rogers has produced.

On the first of February, at Okmulgee,

Coach West's boys once again proclaimed victory. This time 68-49.

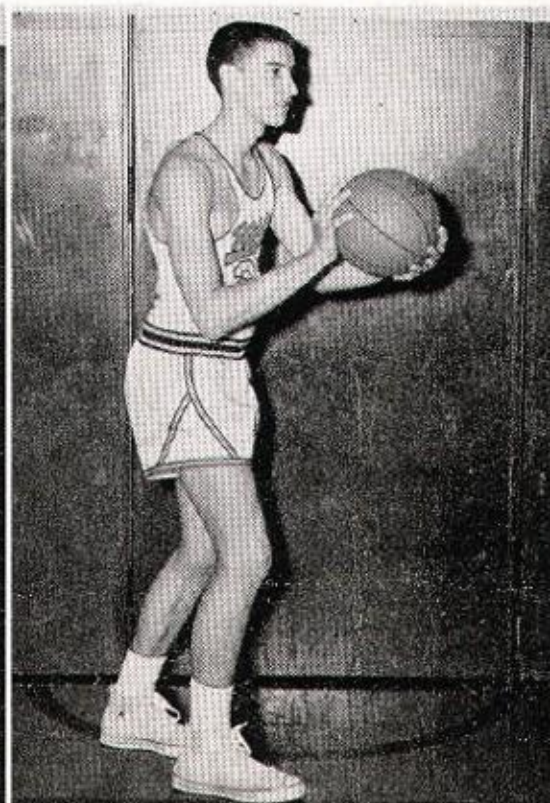

Then came the game everyone had been waiting for, the rematch with Central. The Rogers gym was crammed to the rafters, and everyone was hoarse as the final buzzer sounded. Rogers had been ahead all the way and the final score stood 57-45, three times a greater margin than they had been previously beaten.

Tulsa team, Webster. The Warriors went down in defeat again, 47-39.

In Rogers gym four days following the Webster game, Rogers met Bartlesville. Rogers turned the tables on the Wildcats to revenge their earlier defeat, they tamed them 63-49.

The next game was with the Muskogee Roughers, and the Ropers barely came through on top in that one 44-41.

In the last conference game, Rogers met the Sand Springs Sandites who were in first

place. In a real thriller, Rogers beat the Sandites by eight points, 51-43, to clinch a share of the title.

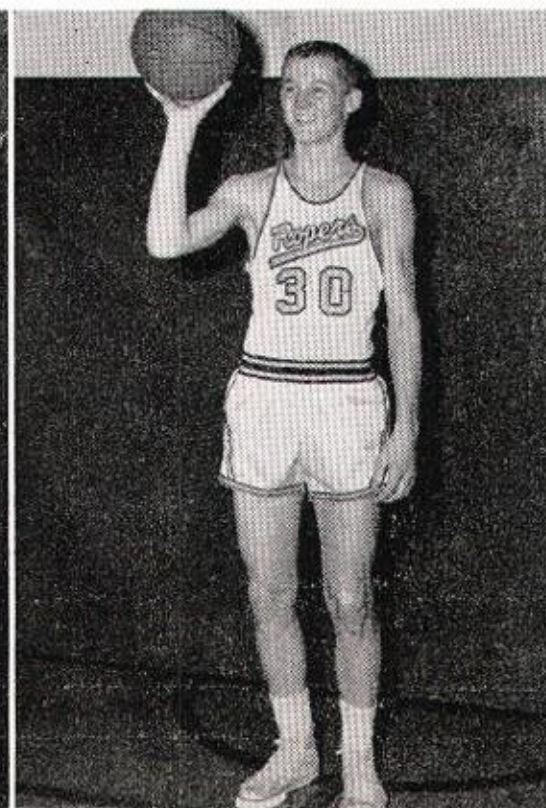

Rogers closed the regular season with two non-conference games. The first was with Fort Smith, champions of their own conference. Rogers won 48-40. The closing game was with Broken Arrow. Rogers came out on top in that one 61-40.

In the regionals, Rogers lost in the first round to Central 60-54.

The Roper Bees got off to a rather slow start this season as they lost their first game to the Okmulgee B team 46-42. That game was followed by another loss, this one being to Central 72-46. The Bees overcame both of these teams later in the season.

Rogers then met the Sand Springs B squad and succeeded in capturing their first victory 37-28. They lost their next two to Webster and Bartlesville 59-32 and 58-38 respectively.

In the following encounter, they downed the Muskogee Roughers, in a game which set

off the victory spark for Rogers as they succeeded in winning the final eight games of the season. In those eight games they downed Muskogee, Sapulpa, Okmulgee, Central, Webster, Bartlesville, Muskogee again, and Sand Springs in that order.

In the regionals meet, which qualified them for the state meet, they won second place and then journeyed to Fort Smith to win the Grizzley Relay which was one of the highlights of the season. The state meet closed the season.

Tennis 1954

Will Rogers tennis team had one of their best seasons in 1954, under Coach George Kubik, as they finished with a 8-3-1 record. However, Rogers had the misfortune of being up against one of Muskogee's great tennis years.

The Roper netmen defeated Bartlesville in their first match 7-5. Muskogee won the second tussle 10-2; Rogers revived and edged Tahlequah 7-5. Bartlesville upset Rogers on Tulsa courts 8-5.

Next the team registered one of its two shutouts over Cascia Hall 12-0. Rogers looked very sharp in the next encounter as they again

beat Tahlequah 9-3. Cascia again went down by the shutout route 12-0 at the hands of Rogers sharp-shooters.

Webster was beaten 6-3 and Rogers had a good string going with four straight wins and a tie giving them a 6-2-1 record to that date. We again lost to Muskogee 9-3 but Rogers had their greatest victory when they downed Central 8-4. The boys were not to be denied that time as they battled valiantly.

Rogers second team of juniors and sophomores won over Webster 7-5. The Ropers finished the season by playing in the state meet but were defeated in the second round.

Golf 1954—*Front Row, left to right: David Mahaffey, Jim Middleton, John Marshall, Bobby Sparks. Second Row: Jerry Pittman, Ronald Cearley, Larry Casey, Jerry Snedden.*

Golf 1954

Rogers brilliant 1954 golf team closed a very successful season under their new coach, Bobby Goad, winning ten dual matches and losing one. The Ropers were 13 strokes ahead of their arch downtown rivals, the Central Braves, as they captured the Oklahoma Six Conference Championship at Oaks Country Club. The four-man squad then journeyed to Oklahoma City's Lincoln Park course where they finished fourth in the state meet. The two-man combination of Jerry Pittman and Jim Middleton won first place in the Fort Smith Invitational Tournament with Pittman taking the individual medalist honor.

Pittman, who won the National Caddy Championship, the previous summer, was medalist for the Ropers in all matches played. His 77 in a dust storm over the Highland courses helped give the team a 17-10 victory over Cascia Hall in their opening match.

Going into their first match with Central, after having compiled a 7-0 record, the Ropers went down to defeat 15-3. The match of the day was between Pittman and the Brave's

ace, Art Hall. Hall took medalist honors with a 78, but Pittman was only one stroke behind with a 79 as the two split their match 1½-1½. Despite the score there was only one stroke difference in the team totals.

The next match with Central was a different story. The squad rolled to a 10-8 victory over Central's previously undefeated linksters. Pittman carded a 75 over the Mohawk course to defeat Hall and take medalist honors.

Rogers' other victories were a rematch with Cascia which was barely won, 9½-3½, a 15-3 thumping of Bartlesville, a 19-2 win over Bartlesville, also a 9½-2½ drubbing of Stillwater in which Pittman lost his only match.

Rogers also notched an early season win over Muskogee at Southern Hills, 8½-3½, and in their next match with the Roughers at Muskogee they brought home another win. Another victory was over Okmulgee to round out the squad's winning season.

Lettermen for the season were Jerry Pittman, Jim Middleton, Ronald Cearley, and David Mahaffey.

Third Row: John Reynolds, Neil Sparks, Charles Bailey, Tom Whitsett, Albert Shoefstall, Vernon Haddox.*

Track 1954

Will Rogers 1954 Track team, coached by Otto J. Endres, finished the season in fine style winning sixth place in the state meet. They also had a state champion in the 100-yard dash when Don Gallemore won in 10.1. It was the second individual state championship for Rogers in the last two years, the first being James Graham who won the pole vault last year.

Traveling to Muskogee the team downed the Roughers 66-24 to open the season, and then took home fourth place honors in the A. and M. relays.

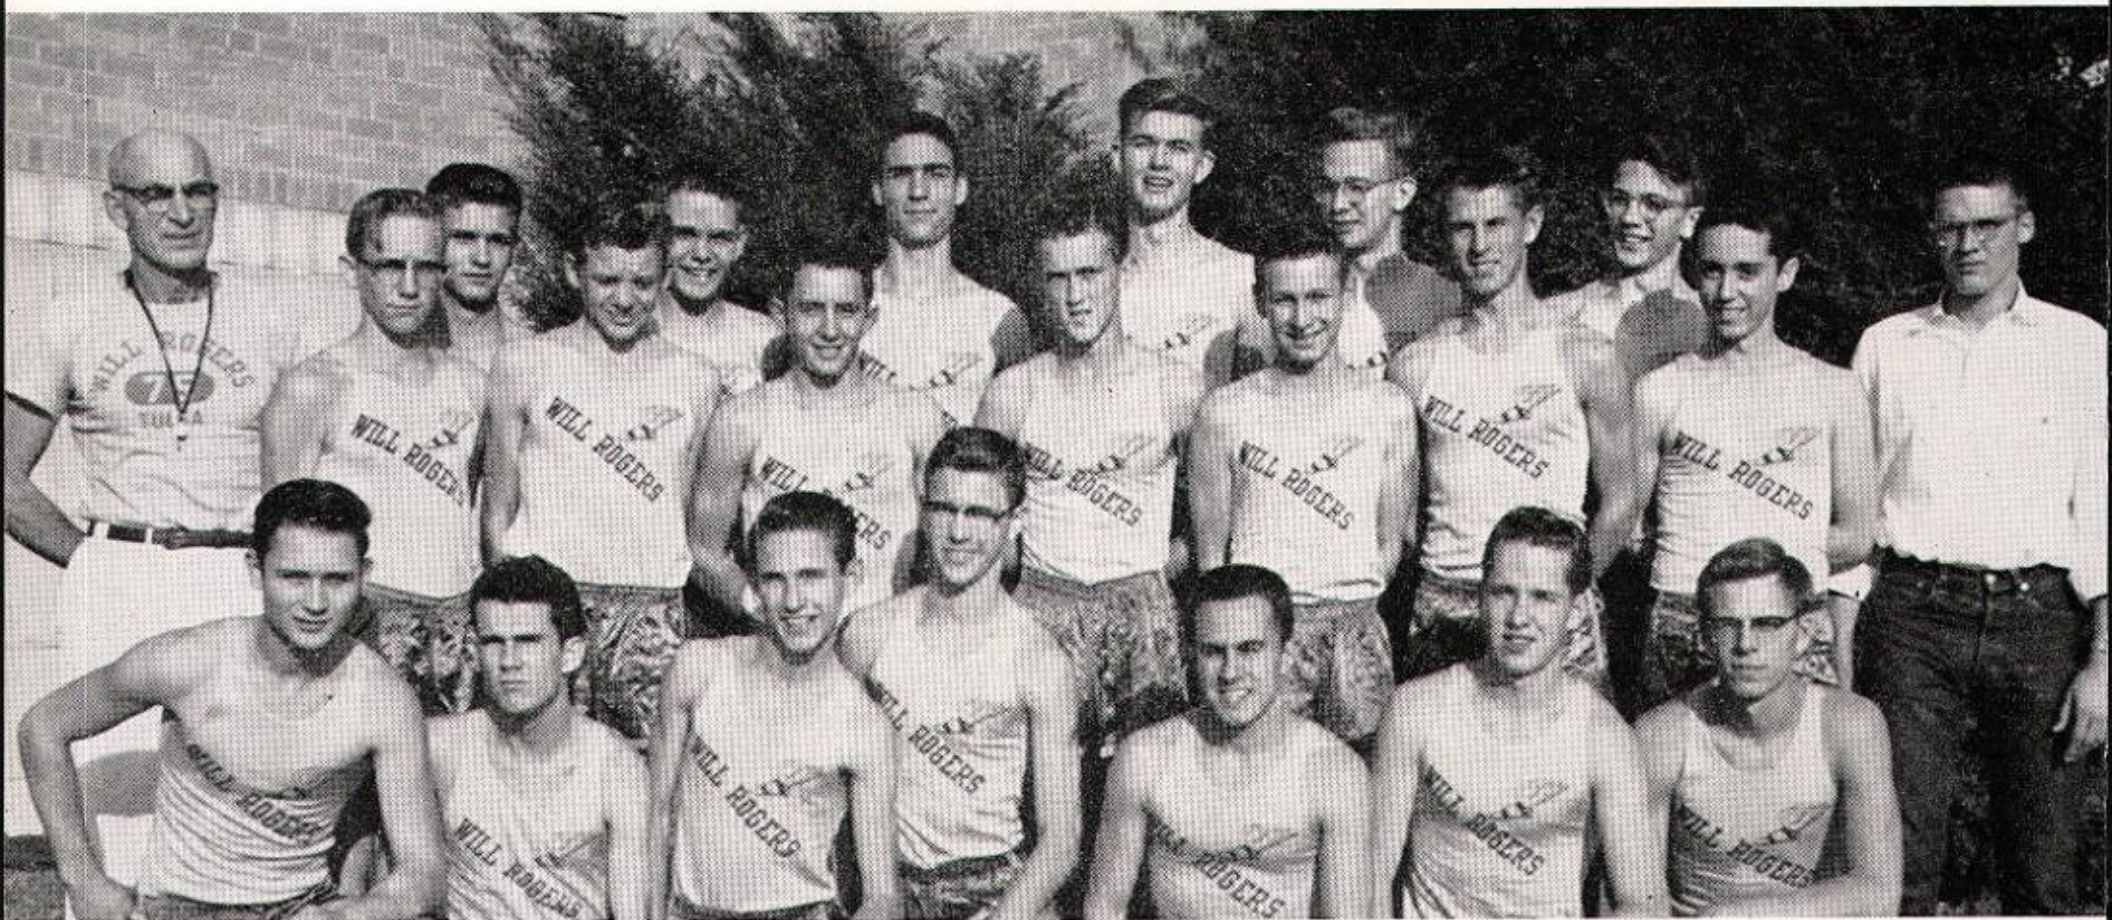

In the Oklahoma Six Conference meets, Rogers was held to second by the Central Braves who finished first in the conference and

likewise in the state.

In Rogers next encounter, they won first place in a triangular meet with Muskogee and Bartlesville. The stand-out stars for Rogers were Bill Blank in the mile; Reed Ferguson, half-mile; Bob Curtis, 100-yard dash; Don Gallemore, pole vault; John Reynolds, high jump; and Charles Bailey in the weights division.

Jerry Bergeron, Bill Kemp, Albert Shoefstall, Clyde Forest, Neil Sparks, Vernon Haddox, Bob Rittenhouse, and Darrell Little were also lettermen.

Rogers finished fifth in the Oklahoma Baptist University Bison Relays and then ran second behind Central in the All-City meet.

Cross Country

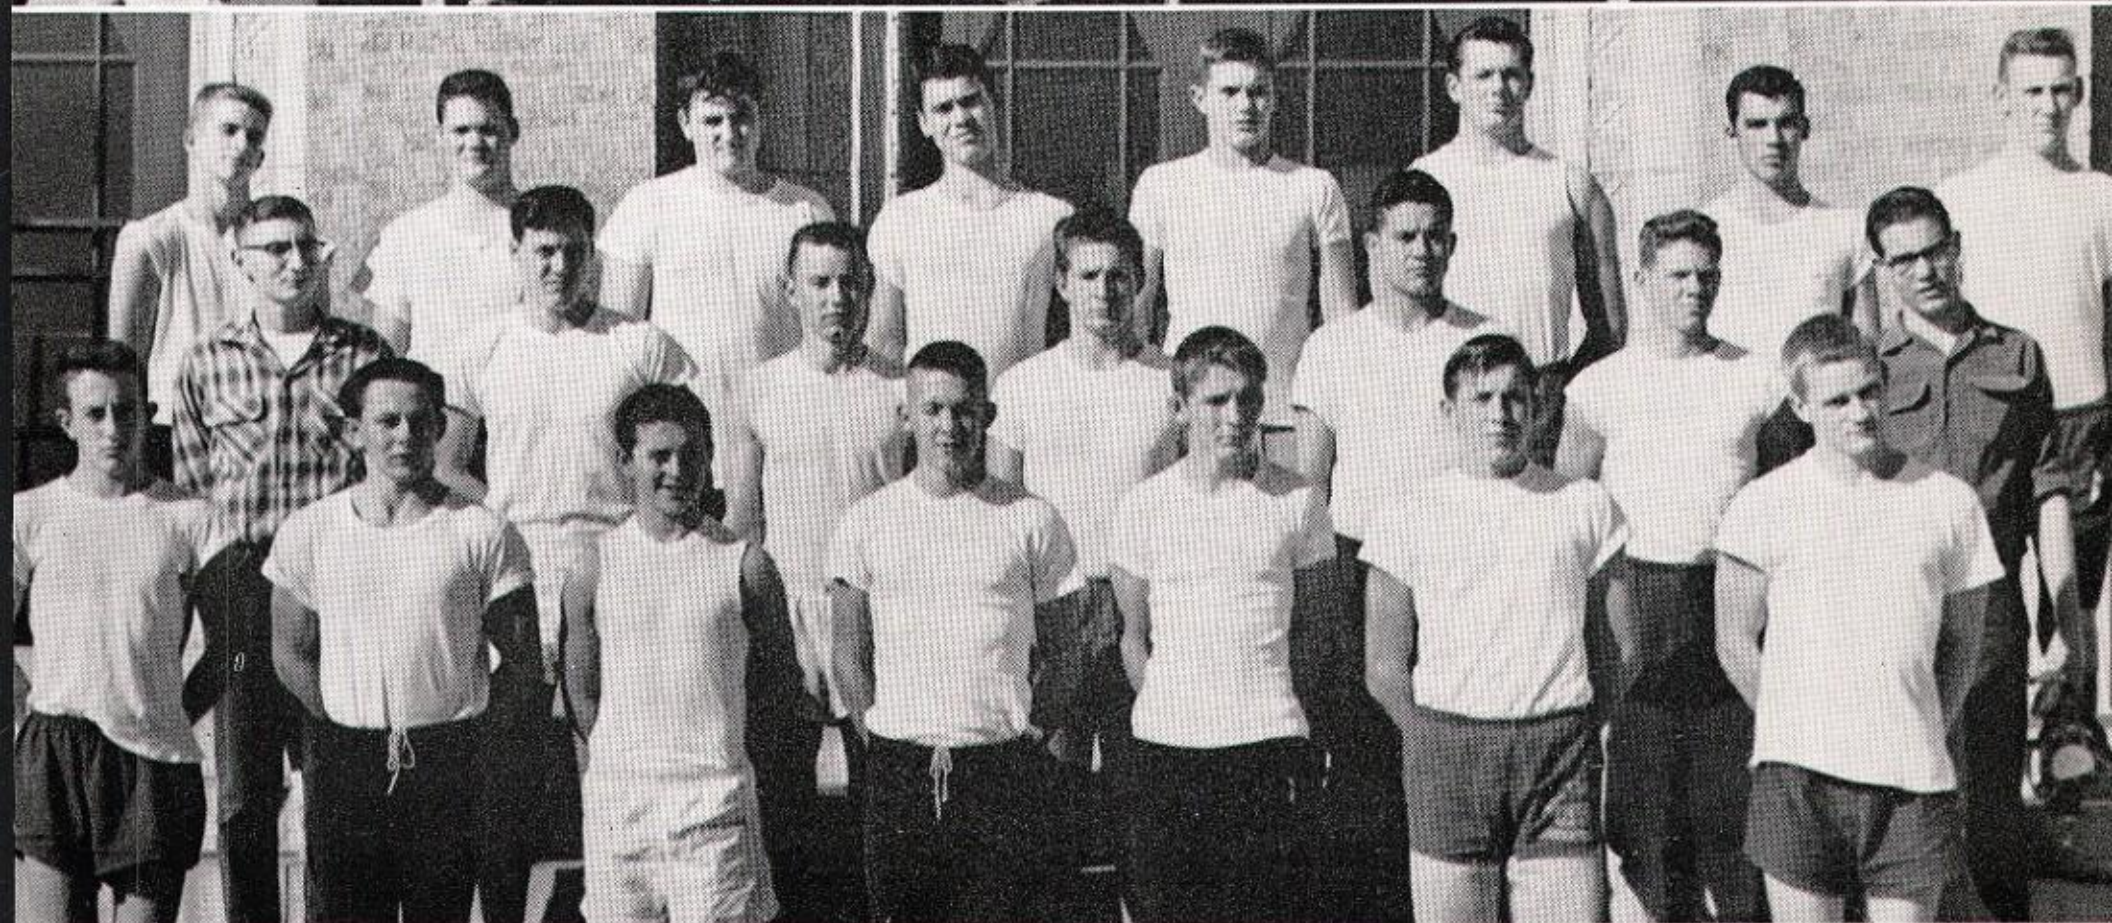

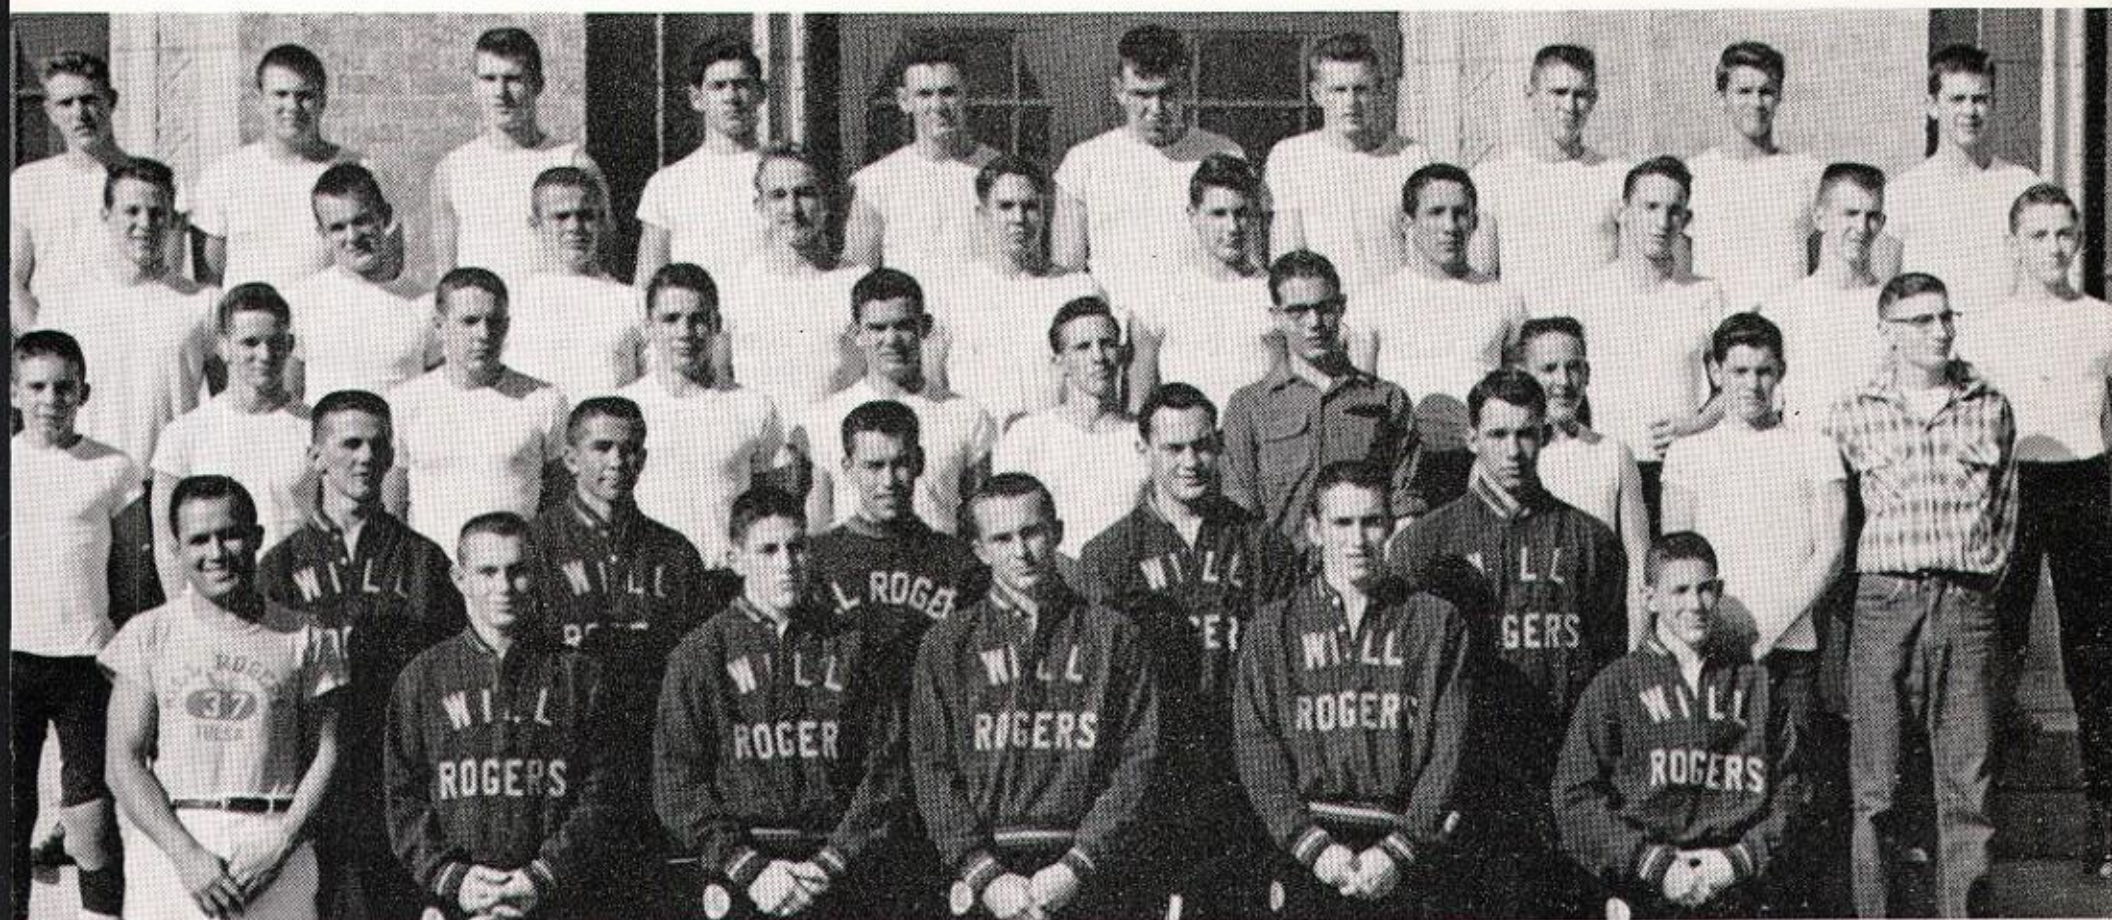

Will Rogers cross country thinclads, despite their tremendous efforts, could not better their last year's record as they took second place for the second straight year in every meet in which they ran.

The meets the Ropers entered were All-City, Stillwater, Oklahoma City Classen, Will Rogers Invitational, again at Stillwater, and the State meet at Oklahoma University where

they were runners-up to Central.

Lettermen were two seniors, Eddie Storms, Bill Blank, and five juniors, Jim Berry, Mike Aldrich, Clyde Davidson, George Bullette, and David Shuppert.

Coach Otto Endres predicts a much better season for next year because he will have five returning lettermen and because of their great team spirit.

Wrestling

Will Rogers wrestling team ended their wrestling schedule for 1954-1955 with a record of five wins, four losses, and one tie.

The Roper grapplers started their season off with a win in the Bristow Tournament. The Ropers were first with 69 points and Central finished second with 62. The Ropers had two individual champions in David Marshall and Ben Walcott.

The next match for the Ropers was at Stillwater. They took the defending state champs by the score of 20-16. Rod Woods got the only pin for Rogers.

They then went across town to Webster where they beat the Warriors by the score of 20-13.

The next three matches were sad ones for the Rogers grapplers as they lost all three of them. The first loss was to the Perry Maroons at Perry. This was a close match all the way with the win going to Perry by the score of 17-14.

Rogers then wrestled Webster on the Warriors mats. The Ropers came out on the wrong end of this contest also with the final score being 18-16.

Then came Central. The Ropers really wanted to win this match but were unable to take the Braves. The score being 21-8.

The Ropers then got back into the win column by beating the Classen Comets in the Rogers gym by the score of 24-11. The Ropers had two pins. They were registered in the 123 pound class by Jack Alexander and in the 136 pound class by Ben Walcott.

The Ropers next win was over the Blackwell Maroons in the Rogers gym. The Ropers

took them by the score of 21-13, the only fall of the contest came in the 141 pound class as Charlie Johnson pinned his opponent.

They then went to Sapulpa where they again brought home the win. They took this one easily by the score of 27-8. They were helped out on this one by some B team men. One of these men registered a pin. He was Lloyd Bates in the 130 pound division.

Then the Ropers wrestled Central once more and this time were ready and tied the Braves 15-15. The most exciting match of the evening being in the 157 pound class as Bob Schultz took previously unbeaten Perry Brinlee by the score of 4-2.

They lost their last match to the Ponca City Wildcats by the score of 17-15.

The regional tournament was held at Webster and the Ropers finished second behind Central. They had three individual champs which was as many as any team in the tournament. The champs were David Marshall, Rod Woods, and Ben Walcott. Rogers sent seven men to the State Meet at Blackwell.

Ben Walcott was the only Roper grappler to be successful in the state meet.

State Champion

Baseball 1954

Will Rogers' baseball team of 1954 was the best in the history of the school, winning the state championship with fourteen wins and three losses.

They opened the season with a 10-2 win over Broken Arrow. The second game was called off when the score stood Rogers 6, Muskogee 6. The next game was the first of four shut-outs during the season, they defeated Sapulpa 17-0. Roy Peterson was the winning pitcher. Roy later triumphed over Central 2-0, and Broken Arrow 4-0 in the regional tournament. The other two shut-outs were registered by Wright over Okmulgee in an 11-0 win.

Then Rogers fell to Sand Springs, Bartlesville, and Sapulpa. Ronnie Hinson came back with a 2-1 win over Bartlesville and followed by a 5-1 triumph over the Mantle Brothers and Company from Commerce. The team then defeated Sand Springs by a score of 10-1.

Roy Peterson followed with an 8-2 win over Muskogee.

Six straight victories in regional and state tournament play resulted in a state championship for Will Rogers. The big climax was a 6-5 win over Oklahoma City Central at Chickasha. Jack Wright limited the Cardinals to one hit and shut them out for the final six innings. Rogers had to win five games prior to the big game in order to win the championship. The first of those victories was a 4-0 win over Broken Arrow. They followed with a 13-4 win over Sapulpa and unloaded 17 runs to bomb Okmulgee 17-2, then beat Muskogee 22-5.

Chickasha was the next victim at a 14-3 score in the semi-finals of the state tournament. Roy Peterson finished with a 6-1 record, but Wright was undefeated at 4-0. Ronnie Hinson led the team with a batting average of .451 and was followed by Ronnie Calvert with .423.

This year has been another very active one for the Rifle Team. The team activities include shoulder-to-shoulder matches with teams in the area, postal and interscholastic matches on a national scale, and their annual trip to the indoor matches held at Booneville, Missouri. In 1954 the team took third and fourth places nationally, and lost first place at Booneville by one point. In addition, the number of individual awards and ratings was very high.

Girls' Physical Education

Girls' Physical Education

The girls' physical education program at Rogers has varied types of activities during the school year. Some of the sports which are played during the fall are field hockey, golf, volley ball, and basketball.

All girls are required to take swimming once or twice a week. At the end of the year, tests, which are sponsored by the Red Cross, are given to determine the girls' progress.

Classes in dancing and synchronized posture-building exercises help to improve poise and posture. Folk, modern, and social dancing are taught. Posture pictures are

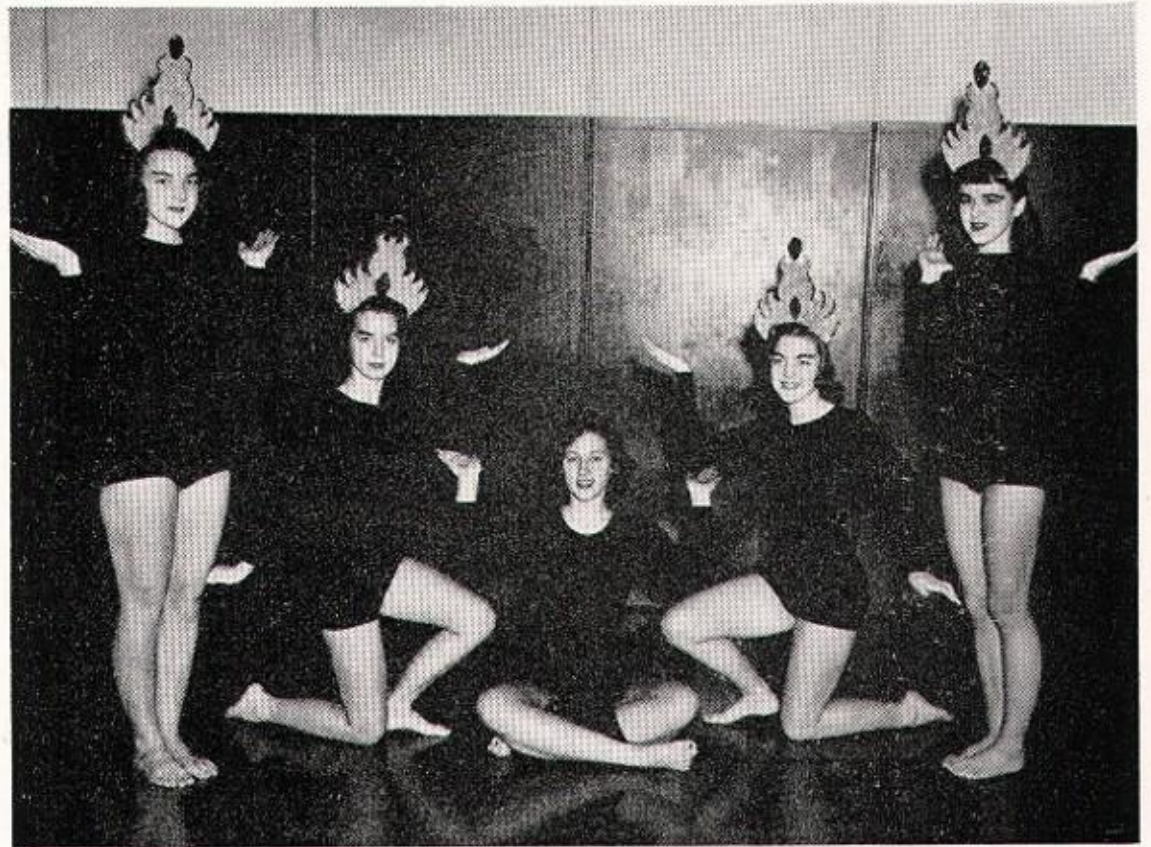

taken at the beginning and end of the year and the results are studied to see if there is any correction which should be made and to note what progress has been made at the end of the year.

Spring sports include tennis and softball.

The teachers giving instruction in physical education were Miss Geneva Cassingham, Mrs. Kay Camp, Mrs. Lola Lockwood, Mrs. Davida Wilke, and Mrs. Edna Dunagan as accompanist. Mrs. Bertha Hudson serves as matron in the girls' gymnasium.

Modern Dance Club

This organization, affiliated with the G.R.A., participated in the Aquadette Water Show at Edison Junior High this year. They did a Chinese dance wearing black leotards and headdresses. The group originated the Chinese number for the show as well as most of the abstract numbers they practiced in meetings. Their sponsor is Mrs. Davida Wilke.

The Girls' Recreation Association provides activity for any girl who is interested in participating in sports, dance, and tournaments on every Tuesday afternoon at 3:30. Tournaments are also played before school.

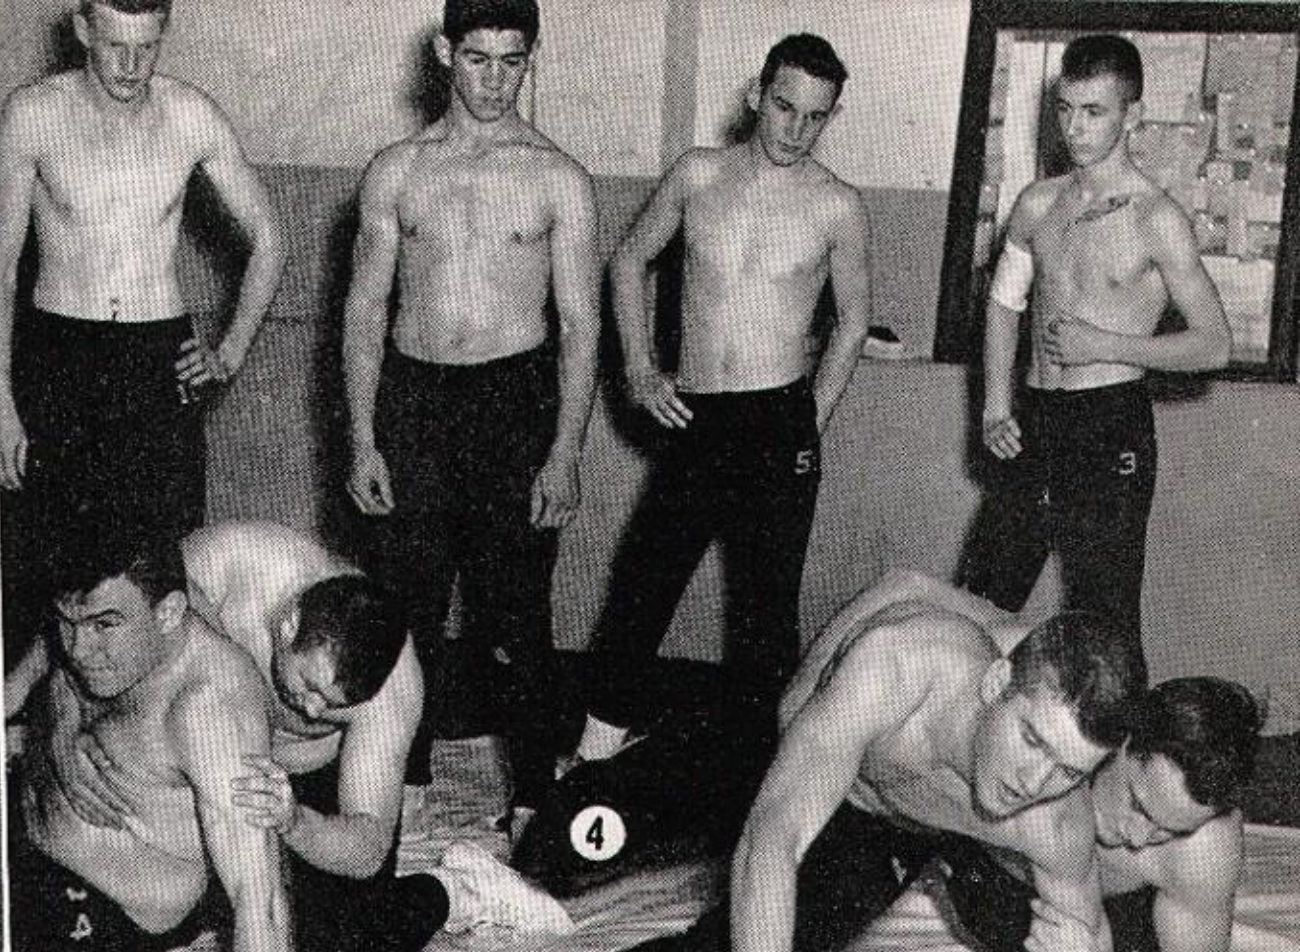

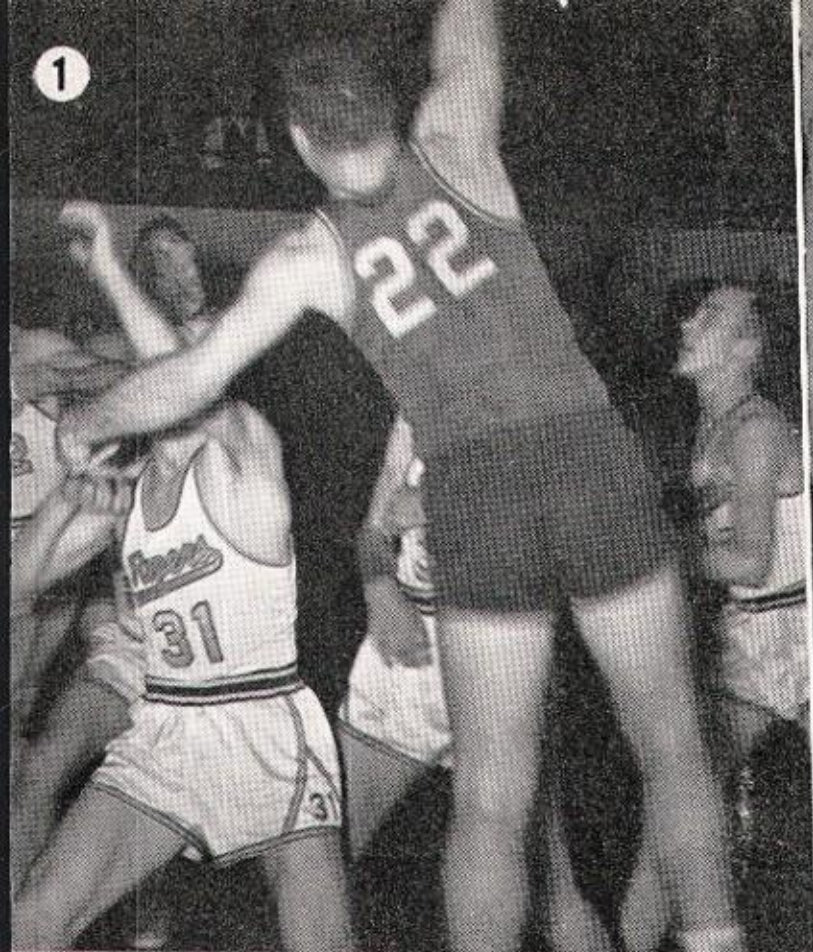

A tennis clinic was held in September and October, the basketball tournament started in December, in the latter part of February tumbling and trampoline began, and tennis came later.

The Modern Dance Club and Aquadettes Club are part of G.R.A. and they meet every Tuesday and Thursday afternoon at 3:30, respectively.
